## \$1,052,223 School Budget Slated

### Trustees Expect Total Tax Rate of Over \$2.30

A total tentative budget of \$1,052,223 was approved by the Orinda Union School District Board of Trustees Tuesday night at a special meeting in the Pine Grove School library.

The record budget includes a tentative operating budget of \$986,153, also an all-time high, and trustees anticipated a total record tax rate of between \$2.30 and \$2.34 per \$100 assessed valuation.

Such a total tax rate, they indicated, would probably include a tax rate of between \$2 and \$2.05 per \$100 assessed valuation, for the operating budget, as against the current rate of \$1.56. Operating tax rate limit, approved by the district voters early this year, is \$2.75 per \$100 assessed valuation.

**ORINDA SUPERINTENDENT** Joseph L. Sheaff explained that the tentative budget now goes to County Superintendent of Schools B. O. Wilson for his approval. It will then be returned to the local district board, for action on any changes the county superintendent might recommend.

Then it is advertised by July 20, and the final time for any changes in the budget will be at the public budget hearing, which, by law, must be held the first week of August, Sheaff said. The County Board of Supervisors later sets the tax rate. Local trustees can only estimate the probable tax rate, Sheaff said. He added that trustees anticipate that the assessed valuation of the Orinda Union School District might go up 8 per cent from the \$23,181,320 of last year, to \$25,035,825.

The total budget for 1956-57 year has been \$841,211, including an operating budget of \$806,300. **INSTRUCTION** (including teachers' salaries) is the largest single item in the proposed budget, as it was last year. Proposed for 1957-58 is an instruction figure of \$685,898, as against the past year's \$527,710.

Other sums in the tentative operating budget, with the past year's figures listed in parentheses, are:

Administration, \$24,000 (\$19,100); auxiliary services (health consultant and health work), \$6040 (\$5400); operation (custodial salaries and cost of utilities, \$85,840 (\$64,170); maintenance (maintenance salaries, cost of upkeep—such as painting and grading), \$28,860 (\$24,900).

**FIXED CHARGES** (including the County Health Department, and permits must be obtained on compliance with all laws and regulations. Each permit is valid for one year. Permits are not transferable. The money taken from permit licenses will pay the salaries of several new staff food inspectors, who will visit each place about every three months. At present, inspections are once a year or less often.

**THE NEW** program may cost \$35,000 a year. The license fees may total about \$22,000. County Health Officer Dr. Henrik Blum has proposed the restaurants and food handling establishments be assessed \$16 per year, and farmers markets and itinerant stands be assessed \$3.

The supervisors are contemplating reducing this somewhat. Even if there is no cutting, additional money paid from the county general fund raised through taxation may be needed.

One feature of the new ordinance will give the Health Department new powers, where a food establishment manager has not complied with the law, and refuses to act in compliance with regulations.

The Health Officer may suspend his license without calling on the district attorney and waiting for a court order. The food handler may appeal any ruling.

**AT THE MAY** hearing, O. H. Wohlgenuth, Walnut Creek bakery operator, objected to the ease by which a health officer might suspend a permit.

He also stated that he thought that more than an X-ray is necessary for physical inspection of food handlers. Dr. Blum replied that a complete health examination would not be necessary, since a social disease is not transmitted through food.

The ordinance requires that any person or establishment selling food to have a permit issued by

### Local Sales Tax Is Theme of Three Letters

Dispute over estimates of potential sales tax revenue for an incorporated Orinda assumed the form of a three-way exchange of letters this week.

The triple barrage of letters included:

1. A letter from Ernest I. Spiegel, general chairman of the Orinda Incorporation Committee, to Clarence E. Betz, secretary-treasurer of the Orinda Chamber of Commerce.

2. A letter from Stanley A. Allen, vice president of the Orinda Chamber of Commerce, to Walter E. Estes, president of the Orinda Association.

3. A reply of Betz to Spiegel.

**IT ALL STARTED** last week when Betz was quoted in another newspaper regarding sales tax revenue estimates for an incorporated Orinda.

He was quoted as saying he was in correspondence with the State Board of Equalization "in an attempt to gather additional data on the estimates" which had been made by proponents of incorporation.

"We're not exactly questioning the earlier estimates, but we feel that there is a need for further clarification of them," he said at the time. "We want to know how the figures were arrived at and what basis was used."

He questioned estimates of a possible \$65,000 return in sales tax in the 1958-59 fiscal year, Orinda if Orinda were incorporated by then.

**FOLLOWING THIS**, Spiegel sent a letter to Betz, declaring, "Your expressed views are not representative of the Orinda Chamber of Commerce" and stating:

"The estimate of revenue from sales tax is unassailable, and you have all the official information in your possession."

Spiegel's letter was dated last Friday.

**THAT SAME DAY**, Vice President Allen of the chamber wrote to President Estes of the Orinda Association:

"In order that we might clarify the position of the chamber, I, in the absence of our president, called a special meeting of our Board of Directors. The subject was discussed very thoroughly."

"The Orinda chamber has not at any time taken any official action for or against incorporation, and none is contemplated. The incorporation issue, however, has now been before our community for many years, and it is earnestly felt that individual chamber members qualified to do so should discharge their civic responsibility on this all important issue."

**"OUR BOARD** of Directors has further authorized me to state the position of the Orinda Chamber of Commerce in reference to the amount of sales tax that would be credited to the City of Orinda in the event of incorporation. As you know, the Orinda Association was recently supplied up to date figures as to the approximate amount involved in this credit. Many members were surprised that the figure was so large."

"In view of this interest our Secretary was authorized to write the State Board of Equalization for further clarification on this point. While our Secretary is out of town at the moment and the exact results of this inquiry are not known to us, sufficient reliable information has come to us to indicate the figures originally given by the Orinda Association are substantially correct."

"While the chamber feels it was well justified in asking for verification of this figure, we regret there has been delay in transmitting the information to our members."

**YESTERDAY BETZ** replied to Spiegel with a letter in which he stated:

"This morning I talked to Mr. R. R. Gregory, district tax administrator of the State Board of Equalization in Oakland, and he informed me that if I presented him with a map of the proposed area to be incorporated, he would be able to determine if any of the businesses used in the State Board of Equalization's calculation of sales tax revenue would be located outside the proposed incorporated area."

"As soon as the map is received from the assessor's office in Martinez, I will forward it to Mr. Gregory and will be glad to send you a copy of the transmittal letter."

### Civic Leaders Form Transit District Liaison Committee

A Contra Costa Committee for Education and Liaison for the Alameda Contra Costa Transit District was formed Tuesday night at a meeting of civic leaders in Lafayette.

Bob Guichard, of the Lafayette Improvement Association called the meeting for the purpose of establishing a committee to inform the residents of Contra Costa County of the many and varied activities of the newly formed Transit District.

**REPRESENTING THE** transit district were Robert K. Barber, vice chairman and Robert Nisbet, attorney.

Barber pointed out that the district had already begun negotiations with the Key System to enter either a lease-purchase agreement or outright purchase of the Key System.

Barber commented that the sessions were "not too productive." Asked by George Krueger, mayor of Concord, if the district would offer the same services to Contra Costa residents as Alameda residents, Barber answered:

**THE TRANSIT** district was formed as a body which would serve residents of both counties equally. The area which lies within the district's boundaries would be served on a cooperative basis.

Krueger stated that he would ask the Concord City Council to appoint a representative to the committee and would recommend to the Concord Chamber of Commerce that they do the same.

Frank Harter, Pleasant Hill Civic Council; Ted Marston, Walden Improvement Association; Ray Smith of the Contra Costa County Commuters Association and Guichard stated they would return to their parent organizations and make similar requests.

**GUICHARD** stated that he would also contact the Walnut Creek City Council and the Walnut Creek Chamber of Commerce for representation on the committee.

Problems of the district were explained to the group by Barber and Nisbet. Krueger commented that he would be able to give much better explanations to his councilmen by knowing just what the problems of the district were as they come up.

Guichard stated that this is one of the exact reasons that a committee had been formed to present, not only to civic leaders, but to the public alike, a clear picture of the activities of the transit district.

Guichard pointed out that it was the intention of this committee to bring in representation from the eastern and western portions of the county as well as the central area.

**NISBET NOTED** that there was no similar organization being formed in Alameda County that he knew of and the organization of the committee was a great step toward the effective operation of the transit district.

"Whether the district will be a feeder system to the five county rapid transit plan or will be a part of the system in the future cannot be determined at the present time, but at least our two counties will be well along in our planning toward effective mass transit by the time rapid transit even gets on its feet," said Barber.

The assessed valuation of the district is a billion and a half dollars and a one cent tax rate would net the district \$150,000, Nesbitt opined.

**"AT THE PRESENT TIME**, at least until our boundaries are clearly established, we will not be able to ask for a bond election or set a tax rate. When the matter is cleared up the district will have unlimited taxing powers," Barber informed the group.

"Although the district will in all probability never need over the one or two cent perhaps three cent tax rate, the law does not place a limit on taxing powers," Nesbitt opined.

The Contra Costa Transit Council is in the process of seeking exclusion of Contra Costa County from the two county district on grounds of illegal canvassing of ballots in last November's general elections. The complaint of the council is before the attorney general.

**THE LEGALITY** of the district which had also been questioned has been proven and handed down by the attorney general several weeks ago.

"The answer to the boundary question should be down in the next week or so and I don't believe the attorney general would even let the matter go as far as the courts," Nisbet claimed.

Smith declared that the commuters association was all for rapid transit, but was not for more buses on the roads.

"You can only put so many buses on the roads and they can only go so fast in traffic. What the commuter needs is a rapid transit system which will not use the roads. We don't want more buses."

**"FURTHERMORE** the commuters association is happy with Greyhound. It has been giving us the best service in its power and the rates are reasonable," Smith said.

Guichard noted that by use of Key System tracks and trains by commuters 600 cars would be taken off the Bay Bridge per hour during the rush hours.

Each unit carries 800 persons seated and travel time across the bridge is 14 minutes. The per car rate figured by the Toll Bridge Authority is 14 persons. Trains may be dispatched in 55 second intervals across the bridge.

ORINDA LIONS CLUB installed its new officers June 12. Among those at the dinner meeting at Orinda Willows were, left to right: Seated—George Hartzell Jr., incoming president, and George Hartzell Sr., installing officer and a past president of the club; standing—James Hull, outgoing president; Jim Lucas, first vice-president, and Austin Little, master of ceremonies at the gathering and a new director for a two-year term.

### Orinda Craft, Recreation Programs Are Underway

The craft, recreation and summer programs of the Orinda Union School District began this week, and will continue until July 26 at the Glorietta, Sleepy Hollow and Del Rey Schools.

Next week, the crafts program will concern "Leo the Lion" on Monday and Tuesday, and a complete project on Wednesday and Thursday.

Classes by Miss Shirley Gee will be as follows: Monday, 9:30 to 11:30 a.m., Glorietta School; Tuesday, 12:30 to 2:30 p.m., Sleepy Hollow School; Wednesday, 9:30 to 11:30 a.m., Sleepy Hollow; Thursday, 9:30 to 11:30 a.m., Glorietta; Friday, 12:30 to 2:30 p.m., Del Rey.

Similar schedule will be followed in later weeks when the projects will concern decorated plates, sandals, bead necklaces, letter openers, raffia animals and hot plates.

Beginning Thursday, summer school will be in progress at Glorietta and Sleepy Hollow Schools, with regularly conducted physical education classes. Any child not attending summer school may participate in playground activities from 9:30 to 2:30 on these schools.

Miss Gee will also conduct tennis classes on Tuesday from 9:30 to 11:30 for children from the Del Rey, Glorietta area, and on Friday from 9:30 to 11:30 a.m. for children from the Sleepy Hollow, Orinda area.

**THE FIRST** meetings of these classes was held at the Del Rey School on Tuesday, and will be held today at the Sleepy Hollow School from 9:30 to 11:30.

A "Swim" day and five excursions have been scheduled. Children attending the "Swim Day" must know how to swim; if they cannot, parents must accompany them.

Miss Gee said, "May we point out that the success of excursions naturally depends upon private transportation. It is respectfully requested that our Orinda parents help us in this necessity."

The recreation program for next week is as follows:

Monday — playground activities, crafts, summer baseball; Tuesday — playground activities, tennis, crafts, Pine Grove teenage meeting; Wednesday — playground activities, excursion baseball game, Seals stadium, afternoon.

Thursday — playground activities, crafts, summer baseball; Friday — movie day, swim day, tennis.

A Carnival will close the summer program on July 25. Information about the summer baseball program may be obtained from Jack Clark of the Orinda School, GL 4-2021.

Ted Boyce is in charge of summer recreation. He is assisted by Miss Gee, Keith Burnham, Bill Hester, Don Wacks, Jack Clark and Marvin Tripp.

### 'Cleanup' Drive For City Vote Is Now Underway

A final-spurt one-week drive for approximately 300 more signatures to incorporation election petitions is being launched and will be conducted this coming week, Ernest I. Spiegel, general chairman of the Orinda Association, announced yesterday.

"We intend to file the petitions on hand by the end of this month, so that the signatures will all be considered as of the 1956-57 assessment roll," Spiegel said.

"These petitions ask the Board of Supervisors to schedule an election among the people of Orinda on whether or not Orinda should be incorporated as a city."

"SUCH PETITIONS" must contain the signatures of at least 75 per cent of the property owners in the area being considered for incorporation, who must represent at least 25 per cent of the assessed valuation of the land, "unimproved."

"To date, we have in the neighborhood of 3000 signatures. But we have not yet been able to tabulate what that means in assessed valuation. We believe we're very close to the line—but to make sure, we're going to seek another 10 per cent in signatures."

"In order to file all our petitions with the county clerk by the end of this month—before the end of the 1956-57 fiscal year—we have only another week to go, in the petition drive."

**SPIEGEL SAID** that the "cleanup drive" will be under the direction of Herb Waterman, petitions subcommittee chairman, with Mrs. Robert Bowles in charge of the drive south of Mt. Diablo Boulevard and Mrs. Millard Simon in charge of it north of Mt. Diablo Boulevard.

With them there will be six or seven other volunteers in the intensive door-to-door campaign, Spiegel stated.

**HE URGED** those who are interested but who have not been contacted to get in touch with him or with one of the petition-drive leaders or workers.

Spiegel explained that after the Board of Supervisors, checks the validity of the signatures, a hearing will be held to redetermine the boundaries proposed for incorporation.

After that, the supervisors schedule a date for an incorporation election.

In order to be on the 1958-59 fiscal year tax rolls, a city of Orinda must be established by next February 1.

**WASCHMITH RETURNS** From Annual Confab

Robert Waschmith, manager of the Moraga Valley Nursery, 196 Moraga Highway, Orinda, recently returned from the ninth annual Nurserymen's Refresher Course at the California State Polytechnic College at San Luis Obispo.

Some 250 California nurserymen attended the course, which was sponsored by the California Association of Nurserymen and Cal Poly.

**SOLD** by Jack Dixon, 250 Lakewood Rd., W. C. 3-speed bike

**SOLD** by Richard Dunn, 1135 Arch Street, Berkeley—¾-ton air conditioner

**SOLD** by Mrs. Fred Ernest, 197 Cleopatra Dr. Pleasant Hill—1950 Plymouth

The above articles are just three of the many sold last week through ads in THE SUN classified section. Ads placed in THE SUN appear automatically in our 6 papers: SUN Shopping News, Walnut Creek SUN, Pleasant Hill SUN, Concord SUN, Lafayette SUN and Orinda SUN for one bargain price.

**Clippers Will Meet** Next Friday Night

The Clipper Club will meet at 8 p.m. next Friday at the home of Mr. and Mrs. James Campbell, 74 Sleepy Hollow Lane.

An outstanding scientific picture in color, "Mr. Sun," will be shown. All members are urged to attend.

### Only Problem With Food Ordinance Is Financing

More rigid enforcement of proper sanitary conditions in Contra Costa's restaurants and food handling establishments has been agreed upon "in principle" by the Board of Supervisors, but the problem is — will the cost be paid entirely by the food people, or partly by the taxpayers?

The ordinance has been studied at several meetings during the past months, and may go to a vote next week or the week after. No definite date has been set.

The public hearing on the matter was closed in a meeting on May 28.

The price of an enlarged Health Department staff to inspect the some 1400 food establishments in the county at least four times each year may exceed the amount the license fees bring in.

**THE NEW** program may cost \$35,000 a year. The license fees may total about \$22,000.

County Health Officer Dr. Henrik Blum has proposed the restaurants and food handling establishments be assessed \$16 per year, and farmers markets and itinerant stands be assessed \$3.

The supervisors are contemplating reducing this somewhat. Even if there is no cutting, additional money paid from the county general fund raised through taxation may be needed.

One feature of the new ordinance will give the Health Department new powers, where a food establishment manager has not complied with the law, and refuses to act in compliance with regulations.

The Health Officer may suspend his license without calling on the district attorney and waiting for a court order. The food handler may appeal any ruling.

**AT THE MAY** hearing, O. H. Wohlgenuth, Walnut Creek bakery operator, objected to the ease by which a health officer might suspend a permit.

He also stated that he thought that more than an X-ray is necessary for physical inspection of food handlers. Dr. Blum replied that a complete health examination would not be necessary, since a social disease is not transmitted through food.

The ordinance requires that any person or establishment selling food to have a permit issued by

### Sport Shirts & Sundresses

Sport shirts and sun dresses were the order of the day this past week as the mercury stick soared to the top of the Orinda hills and leveled off at 96 degrees Monday.

Tuesday the stick dropped a little to 93, but the pools and yards of Orindans were stacked with residents out to capitalize on the sun.

No rain was reported during the week and the year's total remains at 27.81 inches. By the way the weather year ends June 30.

The weather for the past week follows:

	High	Low	Rain
June 13	75	47	---
June 14	71	48	---
June 15	73	46	---
June 16	72	46	---
June 17	89	44	---
June 18	96	46	---
June 19	93	50	---
June 20	93	52	---

## Suburbia Scribblings

By MARIE MONAHAN

### And the livin' is easy—

Some are coming, some are going, but most of us are planning on staying right AT HOME this summer. And WHY NOT? Where else can you enjoy yourself as much as in Orinda in the Good Old Summertime?

ORINDA, ONCE A FAMOUS RANCHO of the Spanish period, is, after all, just a big beautiful overgrown summer resort.

They had the right idea 'way back in 1937. When a new Oldsmobile cost \$750.00 and Country Club memberships were had for \$35.00. City folk seeking serenity and weekends of bucolic blessedness suddenly realized that here, not too long a bumpy ride over the hills, was the ideal locale for their cottages and cabins where they could escape their city apartments or homes on congested streets.

Lots, in orange flag-marked areas, sold for \$200.00 PER and w/a free Dutch Lunch thrown in, how could you miss! Rustic retreats were soon sprouting up on the woody hillsides and in keeping w/the Spanish influence of the area, urbanites identified their "escape cottages" hideaways w/names like "Casa Lenada," "Casa Costa Too Mucho" and "Casa Kaput!"

ON COMPLETION OF the Broadway Tunnel, the place had more appeal than ever and some of the more stalwart souls who started out merely as summertime citizens, decided to take up year 'round residence here. And so it has been ever since. A wonderful place to live!!!

If YOUR three-month plans include barbecues, gardening and golf, local sight-seeing and swimming, ALL practically right in your own back yard, you've got LOTS OF COMPANY! We who live here are indeed a lucky lot!

### But some have hit the road already!

TRAVEL TALLY . . . The Bruce Howards of Miner Road are vacationing w/their children in Canada . . . Due home from there, as well as from a sojourn in Sun Valley, the Harold Ohlweys who made this recent business and pleasure fling in their new white Fairplane "500" . . . Home too, from a Toronto trek, the Barney Paynes of Mariposa Lane.

LAKE MINNETONKA and the lovely Minnesota scenery as well as Jackson Hole, WY., and a session in St. Louis w/family members is on the summer agenda for the Avram Yedidia family of Aridilla Road . . . Going just a little farther and for a first-time cross-country trip are the Ivar Fjellbos and their daughter Pamela of Piedmont Avenue who leave this week for the East Coast to visit w/Norwegian friends and relatives in NY and down to North Carolina for a southern-route return trip home.

Clifford Aberham, eldest son of the Max Aberhams, will enjoy a Hawaii tour, leaving July 6th on the second sailing of the new Matsonia.

SUMMER SCUTTLEBUTT . . . Barbara and Jack McCaffrey will be Balboa-bound . . . The Gene Reids of Darryl Drive will enjoy a Georgia & ptn. south holiday . . . Going down Disneyland way are the Jerry Grimes, Bill Christiansens, Don Pedersens while Bev Schwatka and her two, as well as Lou Adelman and Leslie Cooper and their crew were among the most recent guests of Mr. Disney.

Poolside patterings . . . Santa Cruz sea and sands attracting the Allen Thors for camping wknds . . . Stinson Beach picnic-fun for the Wib Stephenses and their four offspring, Carmel provided relaxation on a recent wknd. for Shirley and Bud Leiber . . . The Roger Cooks of Moraga Via enjoyed good theater last Sat. in the audience of "The Matchmaker" and the John Glascocks will follow suit and see it on the 22nd.

Lonnie and Chuck Currier recently celebrated their 13th Anniversary w/a hotel stay in SF, midnite supper and champagne at Paoli's and Sinatra's singing at the Cow Palace.

(And if you STILL haven't seen "So Pac", w/Mary Martin yet, we know that single seats are still available after July 1 . . . Matinee seats on Wed. still get you TWO together!)

### No lazy-bones allowed in Lake County

SUBLURBS . . . Marcia and Hank Zacharias and their two tots will be tenting under the stars at Lake Tanayia and the Bill Brays will take their inboard runabout (their boat) as well as their outboard runabouts (their children) to Tahoe for some sailing and sunning w/ several families joining them for the fun . . . The George Hauers will journey to La Jolla in July for three wks, stopping off en route w/the Melvin Masons, former Orindans now in Fullerton.

The Wes Smiths, who recently moved to Stanton Ct. (their new house on the same spot as the former home of Cal Rummels who by coincidence are leaving THEIR former Orinda Hwy. home), will vacation in Yosemite and contemplate details for the September wedding of their daughter Pat who's due to graduate from Nurses Trng. in July.

The Doug Watkins among those to check in at "The Lair of the Golden Bear" (UC Alumnae Camp) this summer . . . NO LOAFING 'round the Bob Browns in Lake County who this season will spend their time bldg. their cabin and adding a swim pool . . . The Elbert Waynes will hang up the guest towels for the Ed Wilford family who will visit w/them at their Echo Lake home.

Shirley Jones and her dgtrs. Sandra and Janet will relax at Oakland TUOLUMNE Camp the end of June on their return from Knotts Berry Farm, Disneyland and a brief stop at the girls' favorite Dude Ranch.

The Bob Hendricks (Smart Boy, that Bob, of Young & Rubicam Ad Agency, who launched those laughable AND listenable "Calso ads") will take their kids (AND Calso) to Tahoe for a stay next week.

Learning to jibe w/the job at sailing lessons on Lake Merritt are Linn and Teri Loveland, Sandra Lee, Sandra and Janet Jones, Eleanor Larsen, Beverly Boyd, Diane Kersten, Joyce Bailey.

A PLAYPEN & HIGHCHAIR don't usually center the room during an Orioles' meeting, so this last week, was for a special kind of an occasion, the nursery furniture a gift for Mary Dorr at a surprise shower by members of the therapy unit, given on Wednesday at the home of Rosita Boyen on Tarry Lane. The John Dorr's expect their fourth child late summer.

Another fourth bambino expected for the Eugene Garbarinos in the late Fall, and still another fourth child to Elaine and Bill Rose who are awaiting an end-of-July addition.

### Lots to see and do right here!

A FEW NOTES for newcomers . . . May we recommend some special spots around the Bay Area . . . Tilden Park, for instance, where the merrygound goes round and round and beats even the best one in Central Park . . . Here too, picnic areas, trainrides, ponies, nature area, rolling lawns, golf course, swimming and fishing and it's just up El Toyonal and OVER the hill . . . RIGHT in your own backyard!

MARIN CO. offers some exceptional beaches . . . Stinson (Beware of Fog) and Inverness to name two, farther up, Tomales Bay and more idyllic spots offering State Park Camping facilities . . . Diablo so near, perfect for pitching a tent and not getting too far

## Use of Childrens' Names In Crime Stories?

By BOB RAPIDA

Some months ago, John Davis, probation officer of the county, spoke to newsmen of the Contra Costa Press Club. The topic of the discussion was "Should juveniles be identified in crime stories?"

Nothing definite was brought about by the discussion. None agreed to withhold names and none said they would use a child's name in a crime story.

Thus far, most newspapers agree that a child is named after age 18. The seriousness of the crime pretty much is taken into consideration whether or not the child's name is used if under age 18.

### Have we used them?

Over the past year I can't recall our ever using the name of a juvenile in a crime story. Neither can I recall any major crime (armed robbery, assault with a deadly weapon, etc.) being committed by a juvenile.

The Sun's policy is not to use children's names. We have had all kinds of crime stories involving children from age 5 (turning in a fire alarm) to age 17 (bomb threats).

What good would it have done to print names?

### A Question Unanswered

Davis described some of the characteristics of children who get in trouble:

"They are usually filled with hostility, hate, resentment and anxiety. These feelings are normally generated from poor relationships in the child's family. They are then carried over to people in general, particularly adults, and especially adults who are in authority . . . if you deal with a child on the basis of fear . . . you intensify all the negative feelings the child already has instead of correcting them."

Answer to Davis has been made by a good many newspapermen and law enforcement officers. They claim that the fear which the parents will have of a child's name being used would make those parents take hold of the reins and keep the child in tow.

On the other hand, if the parent uses a fear tool, the child is pushed just a little closer to being a confirmed criminal rather than a good citizen.

### So, what to do?

Freedom of the press would not be violated if laws were passed forbidding the use of names . . . that's one opinion. But a law would not be necessary.

If law enforcement could prove that the use of names does nothing to prevent future crime, then most, if not all, papers would agree not to use juvenile names in crime stories. Most papers don't use the names now.

If there were proof that use of names did prevent children from committing crimes (fear of reform school or other penalties doesn't seem to stop juvenile crime, so why should the use of names?) then, and only then, should the names be used.

All that can result from using names is loss of friendships and ostracism for the children. Therefore names should not be used. . . . What's your opinion?

from the comforts of home. Out past Niles and Pleasanton (pick a cooler day), some true California scenery.

IF HIKING'S to your liking, try Diablo or Tamalpais, quite as thrilling, but not so backbreaking as a hike up Half Dome in Yosemite . . . Sausalito, the hill town across Golden Gate bridge, offers some splendid browsing and snapping around for the sailor the sightseer, the artistic individual . . . Half Moon Bay, only an hr.'s drive away, is close enough for a quick intake of salubrious sea air and the sound of crashing breakers, and time allowing, continue down the scenic route of Skyline Blvd. and into the Redwoods, Big Basin, Santa Cruz Mountains, w/plenty of fine restaurants en route.

FOR A SPECIAL TREAT . . . take your visitor from the East to a trout dinner at Brookdale Lodge where the creek runs through the dining room and redwoods rise up through the ceiling.

IF YOU LIKE YOUR MUSIC set to moonlight and the scent of eucalyptus and spruce, take in the delightful Light Opera series closeby at Woodminster Open Air Theater on the slopes of Joaquin Miller Park (through the tunnel, left, and follow the signs).

This season's series offers "Finian's Rainbow," July 12, 13, 19, 20 . . . "Merry Widow" Aug. 9, 10, 16, 17, and "New Moon," Sept. 13, 14, 20 and 21. Tickets? Call Woodminster or get them at the door!

## Freeway Opens Thursday; Fiesta Festivities to Follow

Lafayette Bypass—2.6-mile, \$3,300,000 link in the developing Diablo Freeway—will be officially opened to traffic at 11 a.m. next Thursday, following ceremonies featuring a helicopter, a lovely Fiesta queen and nearly 200 dignitaries.

These ceremonies are being arranged under the leadership of the Lafayette Chamber of Commerce, as is the three day Lafayette Freeway Fiesta which will follow, next Friday and on Saturday, June 29 and Sunday, June 30.

Heralded by commuters, local business people and state officials as a major development, the Lafayette Bypass has been under construction since October 17, 1955. Gordon H. Ball of Danville is general contractor.

The opening of this four-lane section eliminates the most seriously congested portion of highway between Oakland and Walnut Creek," states B. W. Booker, assistant state highway engineer in charge of the district IV office of the State Division of Highways in San Francisco.

John Black, chamber vice president, is in charge of arrangements for the opening ceremonies. These ceremonies will get underway at 10:30 a.m. Thursday when cars will assemble in the El Nido parking area near Upper Happy Valley Road.

After assembly, cars will proceed under traffic control to the site of the first barrier-removing ceremony on the eastbound lanes near the Lafayette Undercrossing, in the vicinity of Sunnybrook Drive.

Instead of the traditional "ribbon-cutting" type of ceremony, a helicopter of Contractor Ball will swoop down and remove a barrier from the west end of the bypass.

The cars will then travel on the eastbound lanes of the freeway bypass to a spot near the Pleasant Hill Road interchange, at the eastern end of the project.

There the Ball helicopter will remove a second barrier, and the entourage of cars will return, along the westbound lanes, to the western end of the bypass.

Following the initial round-trip journey along the bypass, Contractor Ball will be host to invited guests at a cocktail party at El Nido, after which a luncheon gathering will be held at El Nido.

Along with community leaders and state and county officials, those present at the opening ceremonies will include Fiesta Queen Dolores Roetschen and her two "ladies-in-waiting," Pat Whitehead and Betty Clark.

The three girls, who graduated from Acalanes High School last week, were candidates for Lafayette Fiesta Queen.

Eighteen-year-old Dolores Roetschen of 3764 Mosswood Dr., Lafayette was selected by a committee of judges consisting of Charles R. Rose of the John Robert Powers Modeling School, Oakland; Barry Evans, Oakland commercial photographer, and Arthur Rarey of Lee Ann's Beauty Academy, Oakland.

## Your Garden There Are Good Reasons For Fuchsia's Popularity

The fuchsia is undoubtedly one of the most popular garden subjects in California today—and for many good reasons.

It is hardy, easy to care for, a prolific bloomer and is available in a wide range of varieties. Five new fuchsia varieties, typify the colorful beauty of this deciduous shrub, sometimes called a herbaceous perennial.

Among the newest fuchsias are Thunderbird, a trailing variety blooming in shades of rose and vermillion; Bluebird, violet blue and white; Luando, upright (but it can be grown in a hanging basket if pinched), rose pink and purple; Royal Robe, dark purple, white and pink; Sweet Lei-lani, upright, rose pink, smoky blue.

The natural habitat of the fuchsia is an area of coolness, humidity and shade.

Fuchsias can be grown in the ground in mass plantings, as accent plants, espallier subjects, trees, hedges, foundation plants, vines and ground cover; they are attractive and healthy as boxed specimens, in tubs or hanging baskets.

IN FACT, there's little you can't do in planting the fuchsia, says the California Association of Nurserymen.

Cultural requirements of the fuchsia are not demanding.

They prefer an acid soil.

A suggested planting mixture is one-fourth leaf mold, one-eighth leaf mold, one-eighth well-rotted cow manure, and one-half garden loam, all mixed together thoroughly and allowed to stand for a week or so before planting time.

WATER THOROUGHLY, and very regularly, making sure the soil you plant in drains well.

During the bloom season a medium sized fuchsia will need watering every other day in mild climates, every day in hot; in all climates it will benefit from overhead sprinkling every other day.

Fertilize cautiously, for the fuchsia is a real glutton.

In spring and fall apply leaf mold; in spring a two-inch mulch of cow manure mixed with the leaf mold, half and half, should be applied; every month from April to September, apply fish emulsion.

Howard Greenhalgh, your Telephone Manager in Orinda

## WHAT'S DOING

I'll bet you find dust gathers fast around the house these summer days. And it would at the phone office, too, if we didn't get after it right away. Did you know dust's an enemy of your phone service? You'd never guess how much real trouble it could cause if it got in our switching equipment. One way we keep your calls going through is to vacuum the equipment (above). Just like you clean your living room rug! We've got a special kind of dust cloth, too. It's treated chemically . . . so it'll catch dust better. Can't be too careful about these things.

### JUNE BRINGS NEW TELEPHONE DIRECTORY

East Campus of the Contra Costa Junior College is on this year's cover of the Contra Costa Telephone Directory. Delivery is scheduled for the week of June 24th. Be sure to read over the pages in front where you will find the latest information on Direct Distance Dialing and other necessary information for your every day telephone usage.

## Lafayette Bypass to Open To Traffic Next Thursday

Under construction since October, 1955, the 2.6-mile \$3,300,000 Lafayette Bypass will be officially opened to traffic at 11 a.m. next Thursday.

This long-awaited event will be marked by ceremonies being planned under the leadership of the Lafayette Chamber of Commerce. John Black, chamber vice president, is in charge of arrangements for the opening day ceremonies.

Last Tuesday the westbound on-ramp near Upper Happy Valley Road was placed in service.

B. W. Booker, assistant state highway engineer in charge of the District IV office of the State Division of Highways in San Francisco, explained that westbound motorists on the existing state highway, Sign Route 24 (Mt. Diablo Boulevard) were routed "under the new highway lanes, so that working space may be gained for the beginning of construction on the eastbound off-ramp at this intersection."

Another of the final preparations, Booker said, will get started, next Monday, when "revision of the temporary connection between the existing highway and the freeway lanes at the end of the project will be under way to permit connection of the freeway lanes on the bypass to the completed lanes at Pleasant Hill Road interchange."

Lafayette Bypass extends from west of Sunnybrook Drive to west of Pleasant Hill Road interchange, and runs north of Mt. Diablo Boulevard, at distances up to 1000 feet.

The bypass is a major link in the developing Diablo Freeway, Gordon H. Ball of Danville is the general contractor.

The freeway bypass will have an initial four lanes, with ultimate six lanes envisaged for the future.

There are five major bridge structures as part of the bypass— at Lafayette Undercrossing (near Sunnybrook Drive), at Dolores Drive, at Happy Valley Road, at Oak Hill Road and at Brown Avenue.

The bridge at Lafayette Undercrossing is often referred to as the "El Nido Bridge" because of its nearness to the El Nido Rancho. The Brown Avenue bridge is described by the Division of Highways as the East Bay Municipal Utility District Aqueduct Overcrossing.

OPENING CEREMONIES next Thursday will start at 10:30 a.m. when cars will assemble in the El Nido parking area. The cars will proceed from there to the eastbound lanes near the Lafayette Undercrossing.

A helicopter of Contractor Ball will remove a barrier at this end. The cars will travel to the eastern end of the bypass, where the helicopter will remove another barrier.

## Polio Clinics To Close Soon

Contra Costa County's "V. Days" (special Saturday and Thursday night vaccination clinics against polio) are coming to a close this month.

Nearly 75,000 people under 40 years of age have received vaccinations in county clinics since the starting date of the vaccination program, the middle of February. This figure marks a record for any given comparable period in local immunization schedules.

The special polio immunization program will be closed June 29. "We hope that every resident within the age limit will take advantage of this opportunity to either begin their series of inoculations or, if they have already had one, to get their second shot," said Dr. Elvira Goetsch, Assistant County Health Officer.

## Blaze Destroys Johnson Stables

Fire swept the Reynold C. Johnson ranch at 50 Smith Lane, Ygnacio Valley on June 12 causing an estimated \$5000 damage.

No one was injured in the blaze. Three prize horses owned by Johnson were competing in a Santa Rosa trail ride at the time of the fire.

Caretaker Ambrose Regalia discovered the fire and reported it to the Mt. Diablo Fire District shortly after 10 a.m. Firemen who responded from Concord and Walnut Creek extinguished the blaze and rescued three saddle horses and some stored furniture from the Johnson stables.

The stables, tack room and 10 tons of hay were lost in the fire.

After that the cars will return to the western end.

A luncheon at El Nido, preceded by a cocktail party for invited guests by Ball at the same place, will follow. Close to 200 persons, including visiting dignitaries and officials, are expected to participate in the opening ceremonies and luncheon, according to Black.

In addition to an interchange at each end of the project there are grade separations at major local streets. In the future another cloverleaf approach will be constructed at Acalanes Road, just west of Lafayette Bypass.

ORINDA INTERCHANGE, the first unit of the Diablo Freeway, was completed early in 1955. Two-quadrant cloverleaf interchange at Pleasant Hill Road was completed last December.

Completed early this year was a 2.8-mile project from Walnut Creek to north of the Monument. This cost approximately \$2,850,000 for construction.

Next major phase of the Diablo Freeway will be the Walnut Creek Bypass, which will be 4.22 miles long, will cost approximately \$8,800,000 and will connect with the Walnut Creek-to-Monument project at the north and with the Danville Highway at the south.

FOLLOWING the opening day program, a gala three-day Lafayette Freeway Fiesta will be staged at the lot on the south side of Mt. Diablo Boulevard a short distance east of Mountain View Drive, next Friday and on Saturday, June 29, and Sunday, June 30.

This event, like the opening ceremonies, is being arranged under the leadership of the Lafayette Chamber of Commerce. Jack Hageman is chairman of the Fiesta committee.

To be present at the opening ceremonies and to reign over the Lafayette Freeway Fiesta is the Fiesta Queen, 18-year-old Dolores Roeschen, who will be attended by her "ladies-in-waiting," Betty Clark and Pat Whitehead. The three girls graduated from Acalanes High School last week.

AFTER OPENING of the bypass, some "finishing-up" work remains to be done, but this will not interfere with traffic flow, according to A. C. Birnie, senior highway engineer in the District IV office.

Following completion of the Lafayette Bypass, Mt. Diablo Boulevard—the present state highway—will become a county road between the points of its meeting with the bypass.

"THE AVERAGE daily traffic through this area is approximately 38,000," Birnie observes. "The accident rate has been approximately 3.52 accidents per million vehicle miles."

"Congestion will be practically eliminated and the accident rate considerably reduced."

## Christian Science

"Is the Universe, including Man, Evolved by Atomic Forces?" will be the subject of the Lesson-Sermon at Christian Science services Sunday.

Christian Science Churches in this area are located at 22 Orinda Highway, Orinda, and 1347 Locust Street, Walnut Creek. The Christian Science Society of Pleasant Hill meets at the Hillcrest Congregational Church on Gregory Lane.

Matthew's account of Christ Jesus' stilling of the storm at sea (8:23-27) is included in the selections to be read from the King James Version of the Bible.

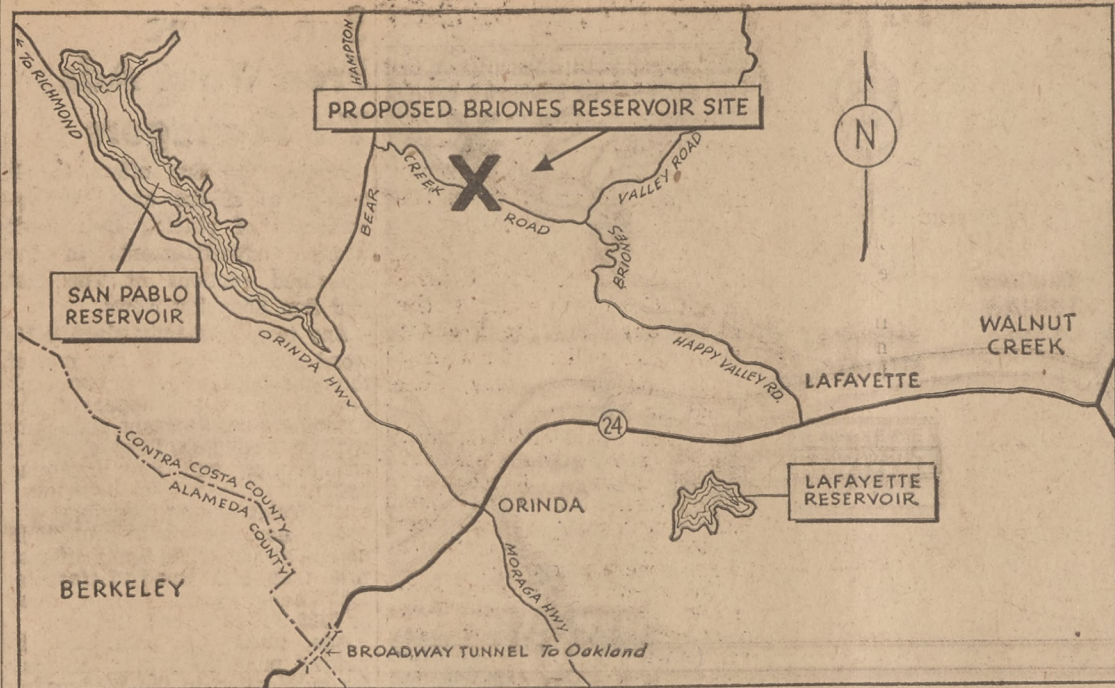

Passages to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include the following (182:32-4): "The law of Christ, or Truth, makes all things possible to Spirit; but the so-called laws of matter would render Spirit of no avail, and demand obedience to materialistic codes, thus departing from the basis of one God, one lawmaker."

The Golden Text is from John (1:1, 3): "In the beginning was the Word, and the Word was with God, and the Word was God. . . All things were made by him; and without him was not any thing made that was made."

## Speech Slated By Rev. Weaver

The Rev. Canon Hugh L. Weaver, Canon Pastor at Grace Cathedral, San Francisco, will be the featured speaker Monday at the final dinner meeting of the season of the Men's Club of St. Michael and All Angels' Episcopal Church, 2900 Bonifacio Street, Concord.

The club meets for dinner at 7 p.m. each fourth Monday of the month from September through June. A cordial invitation has been extended to all men interested in the work of the Episcopal Church.

## Huge Road Master Plan Contract Let

Tudor Engineering Company of San Francisco will be employed by Contra Costa County to prepare a \$200,000 master plan for roads, the Board of Supervisors ruled Tuesday in Martinez.

Desmond Teeter, county administrator was ordered by the board to prepare the necessary contracts for the master plan study. Teeter recommended to the board the San Francisco firm be contracted to do the job. Several other nation-wide firms were also considered by Teeter.

The plan calls for the development of a county-wide road system through the cooperation of city and county engineers. The plan has been endorsed by most cities in the county and by the board of supervisors.

Payment of the cost of the study by Tudor will be split three ways, according to Teeter. The state will pay for a portion, the county will pay for one-third and the monies which usually are paid to cities as part of the "County Aid to Cities" program will pay for one-third of the cost. Tudor was previously employed by the county to perform engineering studies after the \$10 million bond issue of 1952.

In other action the board passed a policy giving Contra Costa bidders a two-percent margin in bidding for county business.

Charles Hornback, county purchasing agent, will put the new system in effect July 1.

The problem was first brought about when a contract for trucks was let to a Berkeley firm. A Contra Costa firm's bid was \$120 higher.

The Contra Costa firms representatives objected that they should have been awarded the contract on the grounds of the board's stated policy of giving business to county firms whenever possible.

The matter of the trucks was settled when the board agreed to refuse the bids on the trucks and call for them again.

Teeter informed the supervisors that the county would receive about \$89,000 more than it expected from sales tax collections during the first nine months of the tax.

Final payments were received for the period ending March 1. The payments amounted to \$715 thousand plus.

The county's share is 2.5 percent of each city's total. Teeter stated that the additional monies would be considered by the supervisors in fixing next year's taxes on real and personal property.

Richmond received the largest tax revenue of all the cities in the county, \$203 thousand. The unincorporated areas amounted to \$25,000.

Walnut Creek sales taxes were \$102,350 and Concord paid \$43,194.

## PEO Meeting Is Thursday

A meeting of unaffiliated PEO's will be held on Thursday noon in the home of Mrs. Betty Irving, 772 Rosewood Drive, Walnut Creek.

Members in the area have been invited to attend, according to Mrs. Madge Graham of Danville, chairman.

## New Telephone Directory Will Arrive Monday

A brand new telephone directory, with the master plan of East Contra Costa Junior College featured on the cover will be in the homes of area residents soon.

Local Pacific Telephone manager, H. D. Greenhalgh, said the 1957 Contra Costa County phone book will be delivered here Monday through Thursday.

Key telephone numbers, such as those of police and fire departments, as well as for service information, will be found in the beginning pages of the directory. Greenhalgh noted.

The book echoes the growth of Contra Costa County during the past year. This year's directory contains 232 alphabetical pages, an increase of 24 over 1956. The 624 classified pages are also 24 more than last year.

There are 6329 more alphabetical listings than last issue, bringing the total to 61,847. Of these, 81,370 will be hand-delivered, with 1830 going by mail.

Some 270 tons of paper went into the production of the directory.

## Merriweds Meet Tonight at 7:30

The Merriweds of St. Andrew's Presbyterian Church will meet in clans for progressive dinners to night at 7:30 p.m.

The Harper Clan will meet for the salad course at the Ensmingers', 124 Jennie Drive.

The Ingalls' Clan will meet at the Markham's, at 1248 Sunshine Drive, Concord.

The Osmer Clan will meet at 255 Evelyn Drive, at the Leighs. The Adams Clan will be contacted as to their meeting place.

## PH Driver Killed In Fiery Collision

Floyd J. Oltman, 34, 77 Dawn Drive, Pleasant Hill, was killed Tuesday morning when his pickup truck crashed into a garbage truck on Pleasant Hill Road.

The early morning sun apparently blinded the driver of the pickup when he rounded a curve just above Sharon Court, according to the California Highway Patrol.

The highway patrol asked that manslaughter charges be filed against the driver of the garbage truck, William Franklin, 27 of Oakland. The CHP claimed that Franklin failed to yield the right of way to Oltman.

CHP officer Fred Scott stated the pickup truck was eastbound on Pleasant Hill Road while the garbage truck was turning out of Sharon Court. The pickup hit the truck broadside at the gasoline tank and both exploded into flames.

Thrown clear from the wreck were Franklin and his helper, Willie Benton, 35, also of Oakland. They are both employed by the Valley Disposal Service of Walnut Creek.

Four trucks of the Central Fire District answered to the calls of the two trucks burning in the middle of Pleasant Hill Road.

Oltman is survived by his wife, Marjorie and a step-son. Services will be conducted from the Little Chapel of the Flowers in Walnut Creek.

## EBMUD Plans Reservoir In Briones Valley Area

The East Bay Municipal Utility District is speeding plans for a new terminal reservoir in the Briones Valley area of Central Contra Costa County, EBMUD Director William D. McNevin announced yesterday.

McNevin said that the continuing growth and development of Central Contra Costa County makes the reservoir project a necessity.

To be known as Briones Reservoir, the 17 billion gallon water storage basin will greatly increase the water supply serving the rapidly expanding areas east of the hills, the director stated.

THE NEW RESERVOIR will be created by building an earth-fill dam in Briones Valley, which lies northwest of Lafayette and east of the Berkeley hills.

Briones Reservoir is one of three new terminal reservoirs planned by the utility district to augment four existing terminal reservoirs, McNevin revealed.

In addition to Briones Reservoir, plans are in progress for Pinole Reservoir, in the Pinole Valley southeast of Pinole, and San Leandro Reservoir, which will be an extension of the present Upper San Leandro Reservoir.

Other existing EBMUD terminal reservoirs are San Pablo, Lafayette and Chabot.

FIRST PRIORITY has been given to Briones Reservoir, McNevin said, because the daily demand for EBMUD water in the Central Contra Costa area is 14 times greater today than it was in 1940.

"In 16 years it has jumped from one-half million gallons daily consumption to seven million gallons, with a maximum daily use exceeding 16 million gallons," he said. "This growth call for greatly increased terminal storage in the east of the hills area of the East Bay."

"For the year 1957," McNevin explained, "10 years from now, the EBMUD planners forecast a daily average consumption of 20 million gallons for this area, with a daily peak of 45 million gallons."

"THE NEED FOR Briones Reservoir is made all too apparent by these projections."

McNevin said that the Briones Valley location was chosen as the result of extensive site studies.

These indicated Briones Valley

most adequately meets all important reservoir location and construction requirements, he pointed out. He added that a reservoir at the Briones site will be the most economical to build, and cause the least disruption to the area. The EBMUD already owns a large amount of the acreage involved.

IN THE EBMUD water supply system, McNevin stated, the terminal reservoirs do three jobs:

1. They store Mokelumne River water during the winter and carry it over for use during the summer, when demand exceeds the daily flow from the Mokelumne Aqueducts. The reservoirs serve to regulate the flow of Mokelumne water to the utility district consumers.

2. Terminal reservoirs provide a standby supply of water for emergency use in case the aqueduct system should be put out of service by earthquake, bombing or structural failure.

THE STANDBY SUPPLY is intended to be sufficient to meet consumption needs until the aqueducts are returned to service. EBMUD engineers estimate this time at 90 days maximum.

Terminal reservoirs already have filled this standby role in the past when the aqueducts have been shut down for repairs or additional construction.

3. Terminal reservoirs conserve the rain runoff from local watersheds. They collect and store this runoff during the wet season for use in the dry season, and in wet years for use in dry years.

BRIONES RESERVOIR will be the first terminal reservoir added to the EBMUD system in more than 30 years, McNevin noted, and, he added, "the most important construction project since the second Mokelumne Aqueduct was completed in 1949."

McNevin pledged that inconvenience to the public will be kept to the minimum during construction of the new reservoir.

CHILDREN OR PEDESTRIANS Always slow down and be prepared to stop suddenly when you see children or pedestrians.

## Courses Closing At Junior College

One course — physical science — was closed to further registration at East Contra Costa Junior College's Summer School Monday, as the eight-week session began. Eighteen other courses have room for additional students, according to George W. Madison, dean of instruction.

Because of the program's brevity, applicants should lose no time in contacting the college, Madison said. He suggested that they call in person at the Student Personnel Office, located on the ground floor of the Library-Classroom building, or telephone MU 5-1230.

The open classes are those in communications, composition and reading, ideas in contemporary society, fundamentals of speech, elementary and advanced engineering drawing, descriptive geometry, elementary and intermediate algebra, plane geometry, plane and spherical trigonometry, geography, general geology, biological science, health education, history of the U.S., history of California and the Pacific Coast, and political institutions.

## Two Drivers Are Speedway Favorites

Chet Thomson and Bob Caswell, local speed merchants who finished high up in last week's stock car race at Contra Costa Speedway, will be back with their hardtops Saturday night.

Although neither of them was much of a threat to the leaders last week, both of them will be definite favorites to win the 25-lap main event at the Walnut Creek track.

In fact, Thomson figured he could have stayed up with the late model stocks in his regular hardtop.

A complete nine-event card will be run off, according to Promoter Jack London. The track has been resurfaced for this week's card and plenty of action is predicted.

# Go to Church Sunday

## Baptist

The First Baptist Church of Orinda will begin services Sunday morning at 11 a.m. in the Orinda Willows banquet room.

Pastor Bruce H. Parker will be returning to the pulpit after one week's absence.

He has been assisting in the direction of a high school conference at Mt. Hermon, California, where hundreds of teenagers gathered to hear Donn Moomaw, former UCLA All-American and others speak. A report on youth activities will be given.

Pastor Parker's sermon will be entitled "Food for the Fed Up." All are invited to come early for the vibraphone prelude.

## Episcopal

The summer scheduled of services will start Sunday at St. Stephen's Episcopal Church, 12 Via Las Cruces, Orinda, with a celebration of Holy Communion at 8 a.m., a Family Worship Service at 9 a.m., and Morning Prayer with a sermon by the Rev. Albert Lucas, rector, at 10 a.m.

The 9 o'clock service, which is designed to continue religious instruction for children throughout the summer, will last only 30 to 40 minutes. There will be an abbreviated worship service and in place of a sermon a filmstrip will be shown.

## Congregational

Rev. Chauncey E. Blossom will preach on the subject "God in Three Persons" at the 8:15, 9:30 and 11 services in the Orinda Community Church on Sunday morning. Special music will be rendered by the Chancel Choir.

Nursery care and Church School through the 6th grade will be held at 8:15; three-year-olds through eighth grade at 9:30; nursery care through the 8th grade at 11. High School students will attend church.

Senior Pilgrim Fellowship will meet at the home of P. M. Schmidt, 36 Camino Don Miguel, for a patio party at 6:45 p.m. Sunday.

The Church Council will meet on Wednesday, 8 p.m. in the Livingstone Room.

Shipmates will have a dinner meeting in Fellowship Hall June 28, 6:30 p.m., featuring local talent for the special entertainment.

Clipper Club will meet at the home of Jim and Grace Campbell, 74 Sleepy Hollow Lane today at 8 p.m. "Our Mr. Sun," an outstanding scientific picture in color, will be shown.

## Lutheran

"Our True Security" will be the sermon theme at the 8:15 and 11 a.m. worship services this Sunday at Our Savior's Lutheran Church, 1035 Carol Lane, Lafayette. The Rev. Merle O. Tollefson is the pastor. Nursery accommodations are available during the 11 a.m. service.

This Sunday marks the beginning of the summer schedule for Sunday School. Classes for all ages, from three years old and up, will meet at 9:30 a.m. only.

Tuesday evening the Board of Deacons will meet at the church.

The Charities Circle will meet Tuesday morning at 9:30 with Mrs. Ed Rodman, 1025 Willow Drive, Lafayette.

The Mid-Week Bible Study will meet Wednesday evening at the home of Mr. and Mrs. David Saenger, 25 Lost Valley Drive, Orinda.

## Catholic

Sunday, June 23, at St. Perpetua's Church, Lafayette, the Forty Hours Devotion will commence with a high mass and procession at 12:15. There will be adoration until the close of the 5:30 p.m. mass.

Monday at 9 a.m. Mass for Peace will be offered followed by adoration all day until the Holy Hour at 8 p.m.

Mass at 9 a.m. Tuesday will be followed by day long adoration until 8 p.m. closing with a High Mass and Procession.

Reverend John P. Quinn, pastor of St. Perpetua's Catholic Church, Lafayette, announces that starting Sunday, in addition to the four masses now being celebrated on Sundays there will be an evening mass at 5:30 p.m.

The schedule of masses for Sundays will be as follows: 7, 8:30

and 10:30 a.m. and 12:15 p.m. and 5:30 in the evening.

## Lutheran

"A Voice from the Future," will be the sermon theme of Albert S. Hidy Jr. at the Shepherd of the Valley Lutheran Church in Orinda.

Regular worship services are held at 8 and 11 a.m. Nursery care is provided at the 11 service. New members will be received into the congregation at the 11 a.m. service.

Immediately following the service refreshments will be served at a reception for the new members.

Sunday school meets at 9:30. Luther League meets at 7 p.m.

Tuesday, Pastor Hidy and his family will leave for a three week vacation in the east. They will be visiting Oregon, Ocean City and Washington, D. C.

July 7; Pastor Hidy will be guest preacher at the Messiah Lutheran Church in Philadelphia.

## Episcopal

At St. Paul's Episcopal Church, Walnut Creek, on the first Sunday after Trinity, Holy Communion will be celebrated at 8 a.m., followed by services of Morning Prayer at 9 and 11 a.m.

"And This Commandment" will be the sermon topic of the Rev. Jack Livingston at 9. The Rev. Wilfred Hodgkin will preach at 11 on "The Great Gulf."

There will be week-day celebrations of the Holy Communion on Monday (Feast of St. John the Baptist) at 8 a.m., Tuesday at 6:30 a.m., Wednesday at 6 a.m., Thursday at 11:30 a.m., and Friday (Feast of St. Peter the Apostle) at 9 a.m.

Delegates to the annual synod of the Province of the Pacific held at Grace Cathedral in San Francisco May 7, 8 and 9 elected the Rev. Wilfred H. Hodgkin of Walnut Creek Provincial trustee of the Church Divinity School of the Pacific. Episcopal seminary located in Berkeley.

Announcement of the election was made Wednesday at the annual dinner meeting of the seminary's alumni association.

The Province of the Pacific includes 15 dioceses and mission districts in seven western states, Alaska, Hawaii and the Philippines.

## Lawns Included In Checklist's Latest Advice

Here are pointers from your Garden Checklist:

1. Fertilize lawns now if they have that "unhappy look." Vigorously growing grass does not show lawn moth damage as readily as grass of poor vigor.
2. Many lawns will take water better and tend to green up if they are perforated periodically. Your nurseryman can supply you with easy to use perforating gadgets.
3. Cut off the old flowering spikes of Delphinium and they will bloom again in the fall.
4. Here are a few shrubs which will add fragrance to your garden:
  - Bouvardia, Star Jasmine, citrus trees or shrubs and Osmanthus Fragrans. Yes, even container grown roses can be planted now.
  - 5. Acid loving plants such as Rhododendrons, Azaleas and Camellias will respond to a fertilization now.

JUDGES who selected Dolores Roeschen as Lafayette Freeway Fiesta Queen were Charles R. Rose (at left rear) of the John Robert Powers Modeling School, Oakland; Arthur Rarey (second from right) of Lee Ann's Beauty Academy, Oakland, and Barry Evans (right), Oakland commercial photographer. With them as an alternate judge was Newt Humphreys (seated, left) of Newt's Physical Culture Studio, Oakland.

## Doctors Will Confer With Councilmen on Financing

Doctors of the central county will consult the Walnut Creek City Council about the possibility of financing construction of a \$650,000 non-profit hospital within the Walnut Creek city limits.

Members of an executive committee functioning for about 50 physicians of Pleasant Hill, Lafayette, Walnut Creek and other areas met Tuesday night, and talked with Robert Graves.

Graves represented "Community Facilities Incorporated." He is the man who recently helped the Concord Hospital District finance a proposed \$1,300,000 addition to the present hospital.

The executive committee is headed by Dr. Harold Robinson. It includes Doctors Marvin Epstein, Irving Fine, John Hutch, Kendall Caldwell, Frederick Hanson, head of the building committee, and Charles Wood, head of the site committee.

They told Graves that the doctors would be able to invest from \$150,000 to \$200,000 in a new 50-bed hospital.

They added that this would be on a non-profit basis, with expectations only of getting the investment back.

Graves commented that it would be possible to get the investment back in the past 10 years, hospitals have been holding the ir own, or making money. A community hospital can support itself nowadays, he added.

Graves talked about the

chances for negotiating a loan to cover the difference between cost and the amount the doctors can raise, and said that Walnut Creek City Council backing would be valuable.

Graves in a similar capacity arranged a 20-year loan from a New York insurance firm to the Concord Hospital District. Annual payments will return the loan and interest.

It was agreed that the doctors should contact the Walnut Creek council about the location of the hospital in the city limits.

Several possible locations were discussed, including some in the Planned Working District, along the north boundaries of the city.

A "package" arrangement might be possible, where the financing, picking of contractor and architect, might be made simultaneously.

In April, the doctors invited architect Reiner Nielsen of Los Angeles to speak at a meeting. Nielsen told about a number of small hospitals which he had designed in southern California.

They also heard a talk by Walnut Creek City Attorney John Nejedly on means of financing a hospital.

Later meetings brought out the

## Demos To Hear Seaver Tonight

The Lafayette Democratic Club will meet tonight at 7:30 at the home of the William Borowiaks, 3329 Springhill Road, to enjoy a potluck dinner and a talk by Glenn Seaver, representative of the American Friends Service Committee.

Seaver, who is peace education chairman for the Quakers, will describe an excursion to Russia made in 1955 by a group of Friends. He will use slides to illustrate his discussion of existing conditions discovered during that trip.

Those interested in attending are invited to call Barbara Borowiak, AT 4-4059, for further information or reservations.

Shop at home and save!

feeling that the usual means of getting money by a bond issue or other assessment would probably not succeed, in the light of local flood and school bond failures this year.

Richard Graves was a candidate for governor of California in the last election. He has been prominent in political circles.

Doctors for several years have expressed dissatisfaction with crowded conditions at Kaiser Hospital on South Main Street, and have discussed the need for new facilities. The Kaiser Hospital was built in 1951.

## Sun Offers Free Want Ads To Teenagers

Again, The Sun offers to all teenagers of the area the opportunity of placing free work wanted advertisements in the classified sections of The Sun and Sun Shopping News.

Any teen ager may place a 10-word classified ad at any one of the Sun's offices for a two-week period. The ad will appear in the Concord Sun, Pleasant Hill Sun, Walnut Creek Sun, Lafayette Sun, Orinda Sun and Sun Shopping News.

The rules are as follows:

The teen ager must appear in person at one of the Sun's offices: 1000 Oak Hill Road, Lafayette, 1320 Locust Street, Walnut Creek or 2125 Salvo Street, Concord.

Ads must be submitted in writing prior to 3 p.m. Monday for publication in the Wednesday edition of the Shopping News and Friday edition of the Sun.

Included in the ad should be the name, age, and type of position the teen ager seeks.

The Sun office in Lafayette is open Monday through Saturday; in Walnut Creek, Monday through Saturday and in Concord Monday, Tuesday, Wednesday and Friday.

Ads may be placed any day of the week. Telephone ads will not be taken. The ad must be brought in by the person placing the ad or by a parent.

Employers are requested to contact the individual at the telephone number listed in the ad and not to call the Sun for information regarding the individual advertisements.

Hundreds of teen agers have already taken advantage of the Sun's free work wanted classified ads in past years and found many jobs to keep them busy all summer. Many of the positions found by the teen agers helped them decide on lifetime careers.

Some worked in engineering offices, others for contractors, girls found positions as typists, file clerks and similar positions which led to year round work and positions after graduation.

If you know a teen ager inform him or her of this offer by the Sun and have the teen ager submit the ad by Monday afternoon before 3 p.m.

A list of students appears in this issue of The Sun as aid to employers. In future weeks all teen agers seeking work will ap-

## Rheem Center-ama Offers Shoppers Many Bargains

Rheem Center-ama, a four-day festival of values, is underway and will continue through tomorrow at Rheem Center, popular shopping spot in the Moraga area, near St. Mary's College.

The Rheem Center-ama started Wednesday.

Many bargains and special services are offered by the Rheem stores, making the Center-ama an occasion for terrific savings for Mr. and Mrs. Central Contra Costa.

With the opening last week of the luxurious Rheem Theater, the multi-million-dollar Rheem Center has been completed.

THE ENTIRE PROJECT is a development by Donald Rheem, with the individual merchants making their establishments harmonious to the surroundings — and with the general public cooperating by its patronage.

Store participating in the Center-ama include Clark's Market, Charles' Drugs, Heaven to Eleven, Rheem Center Barber Shop, Moraga Bootery, Center Hardware, Moraga Casuals, Moraga Record Album, Bill's House of Beauty Design Center and Neddam's Danish Bakery.

Shoppers during the Center-ama days will be able to take advantage of the numerous special buys, and also to enjoy the pleasures always associated with shopping at Rheem Center.

THESE INCLUDE casual, leisurely shopping in the ultra-modern center nestled in the beautiful, hilly countryside.

Also, music while you shop comes over the public address system at Rheem Center.

RHEEM CENTER started in October, 1954, with Clark's Market.

Following establishment of that supermarket, the shopping center has steadily developed — store by store, unit by unit.

Easily accessible for residents throughout Central Contra Costa County, the shopping center is recognized as a landmark as well as a sensible place to shop.

"See you at Rheem Center" is a familiar phrase among shoppers.

That phrase should be particularly apt during the big Center-ama event.

When your car pings or knocks, it means the engine is working at a disadvantage. Sometimes ping-pong can be eliminated by avoiding rapid acceleration or shifting to a lower gear on a long pull. Ping-pong is harmful to the powerplant and should be avoided whenever possible.

pear in work wanted (section 27) columns of the classified section.

Of course, The Sun cannot take responsibility for claims made in the advertisements. This offer is merely another public service feature of The Sun.

### Dads, Kids Are Rotary 'Stars'

"Fathers' and Children's Day" was the program theme of the Orinda Rotary Club at its weekly luncheon meeting at Orinda Wil-  
lows Wednesday.  
Proud dads introduced their sons and daughters, and a magician fascinated youngsters and adults alike with his tricks. President Ramsey Underwood conducted the meeting.  
Next Wednesday's luncheon meeting of the club will be Under-

wood's last session as president. As of July 1 Robeson Smith will be the new president.

#### FOR YOUR PROTECTION

About three-quarters of all fatal traffic accidents involve some kind of violation of the law. Traffic laws are not on the books to cramp your style but to make things safer for you and for other motorists and pedestrians.

automatic nozzle may be used for dispensing Class I flammable liquids into the fuel tank of a vehicle. A competent attendant shall be in the vicinity of the vehicle being filled at all times."

SECTION VI. Ordinance No. 690 is amended by the addition thereto of Section 906-A reading as follows:

"Section 906-A. Restaurant-type ranges, fry kettles, cruller furnaces and appliances for the frying of bakery or confectionery products shall be provided with ventilating hoods and ducts to the outside air to take off the smoke, gases and vapors."

SECTION VII. Ordinance No. 690 is amended by the addition thereto of Section 906-B reading as follows:

"Section 906-B. Such hoods shall not be raised more than seven (7) feet above the floor. Hoods shall be of sufficient depth to extend at least six (6) inches beyond all sides of units served."

SECTION VIII. Ordinance No. 690 is amended by the addition thereto of Section 906-C reading as follows:

"Section 906-C. Such hoods and their ducts shall be constructed of incombustible materials with tight, unsoldered joints, and metal shall be of not less than 24-gauge copper, galvanized iron or other equivalent corrosion resistant ferrous metal."

SECTION IX. Ordinance No. 690 is amended by the addition thereto of Section 906-D reading as follows:

"Section 906-D. The hood shall have a grease trough extending around the perimeter draining into a grease container outside the hood."

SECTION X. Ordinance No. 690 is amended by the addition thereto of Section 906-E reading as follows:

"Section 906-E. Approved grease filters or grease baffles shall be installed at the intake of the exhaust system. This system must be provided with a cleanout, if the ducts run horizontally."

SECTION XI. This ordinance shall take effect and be in force from and after the 12th day of July, 1957, and once before the expiration of fifteen (15) days after the passage and adoption thereof shall be published in the "Orinda Sun," a newspaper of general circulation printed and published in the County of Contra Costa, State of California, together with the names of the members of the Board of Supervisors voting for and against the same.

The foregoing ordinance was duly and regularly introduced, passed and adopted by the Board of Supervisors of the County of Contra Costa, State of California, at a meeting of said Board held on the 11th day of June, 1957, by the following vote:

AYES: Supervisors — RAY S. TAYLOR, W. G. BUCHANAN, JOSEPH S. SILVA.  
NOES: Supervisors—None.  
ABSENT: Supervisors — I. T. GOYAK, MEL E. NIELSEN.

RAY S. TAYLOR  
Chairman of the Board of Supervisors of the County of Contra Costa, State of California.

ATTEST:  
W. T. PAASCH  
County Clerk and ex-officio Clerk of the Board of Supervisors of the County of Contra Costa, State of California.

By: M. A. SMITH, Deputy.  
0876 Orinda Sun, June 21, 1957.

SECTION IV. Ordinance No. 690 is amended by the addition thereto of Section 302-D reading as follows:

"Section 302-D. Inflammable liquids, Class I and II, shall be delivered from dispensing devices only by the operators of such devices, their employees or authorized representatives; and when unattended, all pumps and other facilities for the delivery of inflammable liquids, Class I and II, shall be locked and other effective provisions made to prevent unauthorized access to supplies of such inflammable liquids."

SECTION V. Ordinance No. 690 is amended by the addition thereto of Section 302-E reading as follows:

"Section 302-E. Automatic Hose Nozzle With Latch-Open Device. In lieu of the use of a hand-operated nozzle, an Underwriters Laboratory approved

### Orinda Tennis Club Is Formed

With the objective of obtaining more tennis courts in Orinda and of stimulating interest in the game and offering instruction for grade-school and teenage youngsters, an Orinda Tennis Club has been formed.

Officers and other members are: Frank Gillespie, president; James Miller, vice-president; Betty Irwin, secretary; William Husar, treasurer; Boone Robinson, social committee chairman; Lennie Saputo, tournament committee; Ernie Chilton, instruction committee; Dr. Dick Morton, court committee; William Brock, Channing Kilburn, Charles Gibbs, Gadfrey Gregg.

All those interested are invited to contact any of the officers or members.

### Pine Grove Graduates 228 Pupils

Last Friday at 8 p.m. at Miramonte High School auditorium commencement exercises were started for the largest grammar school graduating class in the history of the Orinda Union School District.

Diplomas were presented to 228 graduating eighth-graders from the Pine Grove School by Mrs. Catherine Schwarck, president of the District Board of Trustees.

The program began with the Processional, followed by the Salute to the Flag, led by Robert Bowles, and invocation by the Rev. A. E. Seyverud of Orinda, education director of the Lutheran Welfare Service of Northern California.

CREETINGS were extended by Philip Lambert, assistant superintendent of the Orinda Union School District.

"American Patrol," by F. W. Meacham, was played by the Pine Grove orchestra, directed by Gerald Meeder.

Next came the narration and singing by the graduating class, of "Our Heritage," with music composed by Delwin Elliot. This number was directed by Mrs. Patricia McGee and Gerald Meeder. The text is by Miss Peggy Rathert, seventh grade teacher at Pine Grove School.

GLENN MCNICHOLES, principal of Pine Grove School, then presented the graduating class.

Following that, the diplomas were presented by Mrs. Schwarck, and the graduation program closed with the Recessional.

### Art Group Ends Season

With demonstrations by the creative dramatics classes being given last week at the homes of Mrs. Bruce Campbell, 106 Lombardy Lane, and Mrs. T. M. Harter, Seven Oaks Circle, the Orinda Art Center winds up the year's activities of its drama sections.

These classes have been under the supervision of Burdette Fitzgerald, department head of Children's Dramatics, San Francisco State College.

The Curtain Callers, drama group for high school students, gave a "Swim and pizza" party Monday night at the home of Jean Bodfish, to welcome prospective members from the graduating Pine Grove class. Since, in the fall, Miramonte High School will employ a Drama teacher, and since a new stage will be available to them for play production, the Curtain Callers will then become a Miramonte school club.

"We feel," states Mrs. Stuart Henderson, who has been their advisor, "that the intention of the Orinda Art Center, in creating the high school drama club, has been fulfilled."

"We hoped to furnish the opportunity for dramatic study and production until the public schools could supply the place, the time, and professional instruction. Both Acalanes and Miramonte will now be able to supply these opportunities simply."

The Pine Grove School will be adding an enrichment program which will increase the number of dramatics classes, and so the Pine Grove Thespians will merge into the enlarged program.

According to Mrs. Bruce Winkworth and Mrs. Kirk Miles, members of the Art Center will be available to assist the teacher at any time with play production.

The creative dramatics program for the fourth, fifth, and sixth grades will continue next fall under the sponsorship of the Orinda Art Center, with teachers from San Francisco State College, as previously. Interested sixth graders will graduate from these classes into the Pine Grove program to take part in acting and play production there.

The girls were presented with their second class badge by Mrs. John Lawrence and the awards were given by Mrs. Bruce Montgomery.

The entire troop received the dabbler badge, troop dramatics badge, textile design badge and their year star.

Suvenir badges were presented to Shelley Lawrence, Sage Sigerson, Stacy Sigerson and Sarah Hanlin.

Following the ceremony, the girls presented their leaders with a remembrance and served their mothers refreshments.

The previous week the troop planned and carried out a barbecue supper and games at the home of Mrs. Donn Sigerson as a conclusion to the swimming sessions held at the Sigersons' pool.

Troop members are Nancy Peacock, Cynthia Mansfield, Gail Kidd, Sage Sigerson, Stacy Sigerson, Sharon Gates, Sarah Hanlin, Kathleen Stillson, Francesca McIntyre, Jody Kronke, Shelley Lawrence, Marcia Montgomery and Leslie Deming.

### Orinda Dads Now Coach Boys

In the cool, cool, cool of the evening every Monday and Thursday night beginning Monday, 350 Orinda youngsters from grades three through eight can be found engaging in America's favorite pastime, baseball.

Under the exacting eye of their parent coaches, most of them parents of players themselves, the boys are building won and loss records and impressive batting and fielding averages.

Sponsored by local merchants, these teams are coached by the following dads: Spence Archer, Doug Adie, D. H. McConnell, Jim Moriarty, B. T. Baker, Earl Lawver, Bill Little, Nels Hamburg, R. W. Case.

Monte Koepf, Allen Thor, Frank Smith, Harry Miller, Walt Shepherd, Doug Watkins, J. W. Lam-bright, Dick Johnson, Don Texahl, Joe Pardini, Del Thompson, Easterbrook, Jim Chapple, Don Scarff, Ed Withers, Mike Wood, Stan Hunn, Bob Thaman, B. Rose and George Welch.

The girls were presented with their second class badge by Mrs. John Lawrence and the awards were given by Mrs. Bruce Montgomery.

The entire troop received the dabbler badge, troop dramatics badge, textile design badge and their year star.

Suvenir badges were presented to Shelley Lawrence, Sage Sigerson, Stacy Sigerson and Sarah Hanlin.

### Lions Present Essay Awards

At the annual Awards Assembly at Pine Grove School June 10, awards were made in the annual Orinda Lions Club essay contest.

Awards were presented by Ken Courtright, chairman of the project for the local Lions, to Linda Shirey, Cathy Kline and Bob Harper, who tied for first place, and to Nelle Neighbor and Susan Kronke, who received honorable mention.

The three who tied for first place had their names inscribed on a perpetual plaque which is kept at the school, and each received a leather-bound photo-graph album. The two who rated honorable mention each received a leather-bound autograph album.

Subject of the essay was "My Place in the World of 1976."

The final contest may open the door for a Contra Costa entrant into the Miss America contest, with which the Miss California contest has an automatic tie-in.

The local finalists, chosen from a field of 16 contestants, by five judges are:

Margaret Smith, 18, 2093 Highland Avenue, Concord. Her talent display was a modern type free style dance.

Phyllis Williams, 18, 2448 Hickory Drive, Concord, who presented a modern dance.

Claudette Van Allen, 18, 989 Hawthorn Drive, Lafayette, who gave a musical recitation.

Interested in a car? Your local dealers offer outstanding values in the Auto Page of Sun Classified Ads

### Auto Slogan Contest Won By Mrs. Farrell

"It pays to buy your car at home because every car is 'gift-wrapped' with AVAILABLE service and delivered with a NEIGHBORLY smile."

This slogan won \$65 for Mrs. James Farrell of 247 Manzanita Drive, Orinda, in an auto slogan contest sponsored by 12 central county auto dealers and The Sun.

THEME OF THE CONTEST was "why it pays to buy your car at home."

Mrs. Nadina West of 22 Bruce Court, Pleasant Hill, took second place with her slogan: "Your local dealer gives convenience, competitive price and careful service... he wants to keep you his satisfied customer."

Mrs. West won \$10 as her second place award.

A THIRD PLACE AND \$5 winner was Charles B. Hunt, 3333 Mildred Lane, Lafayette.

"You get good trade, good buys, good service from good guys" was his slogan.

Winning honorable mention were two other entries.

These included slogans by S. Nakano, 2850 Oak Road, and Mrs. F. C. Carwin, 1232 Carmel Court, both Walnut Creek.

Sponsoring auto dealers included British Motor Car Company, Cappel Pontiac, Jurs Motor Company, Lucas Motors, Van Horn Motors, J. T. Lucas, Lester F. Lawrence, Parker-Robb Chevrolet, and Tunnel Motors, all of Walnut Creek; Rets-White Motors and Butler-Conti Incorporated of Lafayette; and Doug Dicker of Pleasant Hill.

### Salesmen Win Zone Honors

Tom Wilson and Bob Nobles, salesmen at Cappel Pontiac, 1909 Mt. Diablo Boulevard, placed in the zone sales competition held during April and May among 110 Pontiac dealerships.

Wilson placed second among all the salesmen. There were about 450 salesmen competing. Nobles placed third.

The local dealership also won the Knudsen trophy, given for sales accomplishment in the zone, which includes all of Northern California.

## ORINDA SUN

Friday, June 21, 1957

MRS. JAMES FERRELL of Orinda won the Auto Slogan Contest sponsored by 12 central county auto dealers and The Sun. She is congratulated by Ernie Rodriguez, left, of British Motors, and Earl Cappel of Cappel Pontiac. Theme of the contest was "Why You Should Buy Your Car at Home."

—Sun photo by Bette Balog

### New Director for Jack-Jill Told, Schedule Listed

Jean Jonas of Lafayette was appointed director of the Jack and Jill Nursery School recently.

Mrs. Jonas served for three years as the assistant to the director of the Lafayette Cooperative Nursery School. She will assume her duties as director September 9 when the regular school session resumes.

Appointed summer session director was Sylvia Buse. The summer session will be in operation commencing July 1 and ending August 9.

The sessions will be Monday, Wednesday and Friday mornings.

Membership chairman Wilma Doyle announced that enrollment is open to children over 2½ and under 5 years 9 months. For further information concerning the summer session call Mrs. Doyle at YE 4-5313.

Shop at home and save!

### Men's Garden Club to Meet

The Mount Diablo Men's Garden Club will hold its next regular meeting Monday at the El Monte Drive Inn on Clayton Road, Concord. The regular session will be preceded by dinner at 7 p.m.

The special topic for the evening will be "Shade Trees and Their Care." A panel composed of representatives of the PG&E Company and of the Davey Tree Surgery Company will lead off.

H. B. Perry of the PG&E will show pictures of company operations and special problems met by tree owners. Jim Pollard, utility manager for the western states for the Tree Company and Cliff Warren, the East Bay representative, will be the main discussors.

Dr. Fred E. Heitman of Lafayette, president, will be the moderator.

TRAVEL WELL Especially good for travelers are the many colognes and toilet waters now available in aerosol containers which are unbreakable.

### Juvenile Ordinances Outlined by Sheriff

County ordinances and laws pertaining to juveniles have been brought to the attention of parents in a recent letter issued by Sheriff Harry Brown.

The ordinances were read to a recent school of information conducted by the District Parent Teachers Association in the First Presbyterian Church in Walnut Creek.

"LAWS PERTAINING TO juveniles with which you may not be familiar," according to Brown, include fireworks, fish and game, firearms, canal and curfew ordinances.

The fireworks ordinance prohibits sale or possession of fireworks in the county.

### Volunteers Are Seeking Help

If you have a knowledge of Nature Study, crafts, outdoor cooking; if you play the piano, or if you are more interested in working directly with young people, the youth of your community need you.

Boys and girls from pre-school through high school need adults to help with their programs. Whether you live in Orinda, Lafayette, Walnut Creek, Pleasant Hill; whether you can help this summer or not until fall, young people are waiting for your leadership!

Call today at the Volunteer Bureau, YE 4-0424.

### New State Care Program Slated

In a race against time, the State Department of Social Welfare is building an entirely new statewide program for medical care for the recipients of assistance in the state aid programs: aid to needy blind, aid to partially self-supporting blind, aid to needy children, and old age security.

George K. Wyman, director of the department, said that the provisions of Governor Goodwin J. Knight's bill, which was passed by the State Senate and Assembly, is scheduled to go into operation in county welfare offices all over California on October 1.

The money to operate the medical care program will be obtained from the Federal and State Governments on a sharing basis of approximately 50 percent from each. A total of \$21,700,000 will be available for the balance of the 1957-58 fiscal year, of which \$11,200,000 will be from state funds.

The depositing of funds in the pool will be at the rate of \$9 a month for every adult and \$3 a

### Roaring '20's Will Come Back Tomorrow Night

The Knights of Columbus, Lafayette Council, will hold a costume ball to "bring back the roaring '20's" tomorrow night.

Place will be the I.D.E.S. Hall on Boulevard Way, Walnut Creek. Dancing will be from 9 to 1 to the music of the Don Lewis Band. A smorgasbord snack bar will be open. Door prizes and a prize for the best costumed couple will be given.

Tickets are \$5 a couple and are available to the public. They may be purchased at the door.

Committee chairman is Jack Larson. He will be assisted by Jack Howard, Phil Gilbert, Bill Reddy, Al Webber, Tay Wheeler and Joe Mikos.

month for every child in the state aid programs.

### Robert Nielsen Completes Basic

Robert Nielsen of 3216 Acalanes Avenue, Lafayette, has been home on leave after completing U. S. Army basic training at Fort Lewis, Wash., and has left for Fort Belvoir, Va., to begin engineering school. He has signed for a 3-year hitch in the Corps of Engineers.

He and his mother, Mrs. Scotty Pencovic, were to visit Washington, D.C., for a few days before his reporting for duty.

## Goin on Vaction? Here Are a Few Hints

Vacation season is here again, and families have taken, are taking or are planning to take vacation trips.

So that your vacation trip will be not only a pleasant memory after your return, you should take certain precautions before you go.

If you don't, there is danger that when you come back you may find your home burned, burglarized or vandalized.

Here are some pointers which are bits of advice that should be heeded by vacationers about to leave on trips of any appreciable length.

1. Halt deliveries of milk and newspapers for the duration of your absence. If you don't, you'll be leaving a virtual notice to would-be prowlers that you're away.

2. Notify the sheriff's office, if you live in an unincorporated area, or the Walnut Creek Police Department or Concord Police Department if you live in either city.

Tell them your plans — how long you expect to be away and where you can be reached in case of emergency. They will be glad to keep an eye on

your premises, giving the place special attention as they make their rounds.

3. Make sure there are no accumulations of rubbish, or grass and leaves near your house.

4. Make sure your electric refrigerator is turned off — and leave the door open.

5. Disconnect electric lamp cords from wall sockets, and disconnect all other gas and electrical appliances. Be sure your furnace is turned off. Turn off pilot lights.

6. Leave some of your window shades partly up, so the house does not present a deserted appearance.

7. Arrange with a neighbor or friend to have your mail held for you.

8. If convenient, leave a key to the house with a neighbor so that the neighbor can enter your house and turn on a light for a while each evening.

If you have any questions regarding what to do about your electric connections before you go on your vacation trip, phone the Pacific Gas and Electric Company office nearest you for information.

9. Be sure the doors are locked! And have a nice vacation trip.

## SECOND SECTION ORINDA SUN

Friday, June 21, 1957

IF YOU WANT your home ransacked during your vacation this summer, the method depicted above is known to be effective. Just leave milk bottles, papers and the like to collect at your doorstep. To avoid same, stop the milk and paper route deliveries, and have a neighbor drop by periodically to clear away the "debris." Prowlers are looking for the obvious signs that you are away for an extended period. Will your home be next stop?

## Sun Spots...

### So How Do You Place A Bet on a Broomtail?

By PAT PENDING

I see where a guy who runs a news stand in Concord is accused of being a bookmaker. Book makers are usually in a bind. And, I guess our friend in Concord is in a bit of a bind.

To me (if he is a bookie) he is a benefactor of the Common Man. For the life of me, I cannot see why it is legal to go to a track; pay an excessive parking fee; pay to sit down; pay through your nose for a beer or a highball just so you can walk up to a two dollar or five dollar window and let some guy take your bet.

And I cannot understand why it is illegal for some citizen—who doesn't drive a Caddy and who can't get away from his job to watch some broomtail run a race—to place a bet with some gent who is willing to pay off or to take as the case may be.

In other words, I think that our present gambling laws stink! I think that it is discrimination when we permit the fortunate wealthy—who have the money and free time—to go to the track and gamble and then prohibit the little guy, who might like to win in this game of chance, from placing a bet simply because he can't get away from his job to WATCH A HORSE RACE!

I ask you. Is it fair? I am a native Californian and I am growing very tired of those who have interests in Nevada controlling gambling in our state.

If it is legal to bet on a horse AT A RACE TRACK it is certainly legal to bet on a horse race ANYWHERE. Isn't it?

Have you seen Wyatt Earp? I didn't even know he was sick!

I don't know why scientists are so worried about developing a super rocket to launch our first space satellite into its orbit. Why don't they just attach it to the rising cost of living?

It is strange: Man is determined to conquer outer space and he still does not understand the space between his ears!

It's no wonder Russia is ahead of us in satellites. After all! Didn't they grab Poland, Lithuania, Estonia, Latvia, the Czechs, Romania, Hungary, and East Germany?

If you don't think that the California Water Company's rates are high—how come the local bars import their ice cubes?

## Letters to The Editor

### FLUORIDATION

Dear Editor:

In regard to Mrs. Fred Brown's letter to the editor on anti-fluoridation, the following is presented:

No informed individual will argue the point that the proper study of nutrition practices, or the larger field of health education, is anything short of commendable.

Unfortunately, not all books present valid reliable information, nor are all who profess to teach in this field relying upon the most authoritative scientific data available.

Dr. Oliver E. Byrd's "Health Yearbook-1956" has just been published by the Stanford University Press, and is readily available for those interested.

ON PAGE 145 the following information can be found:

"The New York City Board of Health has made a 50-page report to the mayor as a result of an intensive study to determine whether or not fluoridation is safe and effective in the prevention of dental decay."

"After this exhaustive study the New York City Board of Health reaffirmed its previous endorsement of fluoridation."

"The following conclusions were reached by the City Health Department: '1. DENTAL DECAY constitutes a serious health problem which remains largely neglected due to the undramatic nature of the disease, the cost of full treatment and the lack of sufficient professional personnel.'

"2. The overwhelming evidence obtained indicates that water fluoridation offers an ultimate reduction of about 80 per cent in the accumulation of dental defects in New York City's resident population."

"3. No harm has been demonstrated or can be anticipated from the consumption of fluoridated water at the recommended level."

"4. The adjustment of the fluoride content of drinking to 1 ppm fluoride is, in principle and practice, the soundest and most effective approach to caries prevention on a large scale."

"5. IT IS POSSIBLE to furnish fluoridated water to all of the people of the city for about one-third the price of providing fluoridation for school children by any other method."

"6. A summary of judicial decisions and authoritative legal opinions indicates that legality of fluoridation has been well established."

On page 147 is a report by the Surgeon General of the United States Army which states: "... that fluoridation of drinking water has been approved in 21 Army posts in the United States, Alaska, Hawaii and Puerto Rico."

THE ARTICLE further states: "The Army has based its fluoridation policy on recommendations made by the American Dental Association, National Research Council, American Medical Association, the United States Public Health Service and other scientific groups. The program is expanding and no change in Army policy is anticipated in the foreseeable future."

Is it "liberty and justice for all" when a minority denies a majority opinion, which is based upon ever-mounting conclusive scientific data, from prevailing?

On page 83 of Dr. Byrd's book the following is stated: "There appears to be an impression in some minds that heat-processing or pasteurization detracts from the nutritional quality of milk in such a way as to make it inferior to untreated milk."

"THERE IS GENERAL agreement to day that the modern flash pasteurization of milk at 160 degrees F. for 15 seconds causes no significant losses in the major vitamins of this product."

"All available data agree that modern flash pasteurization causes no loss of protein nutritive quality except for two investigators' findings on cast and guinea pigs."

A comparison of some of the vitamin and mineral values in various types of milk was given in a table taken from the Department of Agriculture's "Handbook on Foods."

MRS. JOHN JEFFREY RICHARD W. LELAND

## Under The Sun

### 'It's a Dog's Life,' And Truly... It Was

By HERMAN SILERMAN

(Sun Publisher Herman Silverman is on vacation, so in his absence this space will be filled by one or more of the staff members... not literally, of course, but only with their writings. This week Dick Osborn has attacked the blank column.)

Dogs seem to have a pretty good hold on a community. Just consider the phrases and expressions we have adopted to describe human activities — all of which revolve about the dog. "It's a dog's life" — "the dog days," and, as that popular song goes, "You Dog." Then of course, when you buy something and it doesn't work, or when a bad play hits the boards, what is it? Why, it's a "dog," of course.

Our canine friends must get weary of being disparaged like this... there's hardly a decent phrase in the language to describe the animal... at least one that is used in every day conversation, even as the above.

But there are good things... But every once in a while something happens that brings out the best in dogs and men, and makes us realize that we're not as far separated as hair, and legs, and vocal chords make us appear.

I have an example in mind. A couple of Sundays ago my wife and I decided to take a ride around our beautiful countryside. Naturally, the decision made, the man of the house was ready, and fuming to go (not that I was waiting for my wife, who is always prompt, you understand).

AS WE WENT OUT the driveway we met a visitor, who looked in some way related to a Collie, and who had perhaps seen better days. He was certainly carrying an excess of coat, and for a Collie, that's something.

My wife (and she can be pretty discerning sometimes, in spite of the things I say about women in general and their brains in particular) wanted to see that he had at least a drink of fresh water before we left.

I maintained that we were already late and that he could darn well visit some other neighbor for his refreshment.

It makes you feel just great! When we got home late that night, our friend was still there — and wandering blindly about in aimless circles. There was a reason.

He was blind. He was also very, very old, nearly deaf, and obviously in a bad way. He got water promptly. (He had been unable to find our dog's water dish, and was barely able to stand when we finally got around to following my wife's suggestion of giving him water some 6 or 7 hours after he had staggered up the hill to our house.)

HE HAD NO identification at all, but was obviously somebody's pet, and probably he had earned a happy place in the heart of some family... he must have, because he had certainly been around enough years to do it.

We figured that he couldn't have wandered far, in his condition, so I promptly got the car out again and started calling on neighbors.

After visiting a few side streets and wandering around the hills for a while, I returned home. Nobody knew anything about The Stranger. And I had asked children too, who always know all about dogs. (Many of them knew about our Collie, but I had met neither the children nor their parents.)

We called it a day, and decided that if nothing happened by Tuesday we would put a classified ad in The Sun. But this was not to be. When we awoke Monday morning The Stranger was gone. I don't know where he found the strength to walk, but it turned out that night that he had made it about four blocks (up steep hills) to another house, where he had collapsed.

Someone I'd like to know... And the way we found out was touching. A lovely lady in a convertible dared our driveway to inquire if we had lost a Collie. She had heard that we had one, and was repeating my trek of the day before, just searching for The Stranger's owners.

That was the last we ever heard of The Stranger. No classified ads were placed in any of the papers that we searched, and no other messengers came to inquire if we knew of his owner.

BUT HE TOUCHED our lives for a brief instant, and he touched the lives of many others, I know, in the same way. Many people took time, and gasoline, and trouble, to hunt for his owners.

They did it because he was a dog, and was old, and sick, and couldn't speak for himself. So he found a voice in the friendly people of our neighborhood. But he found it by being what he was. He asked only understanding, and he found it from all who looked into his unseeing eyes and realized that it must be a truly dark and mysterious world for The Stranger, who, at best, could only face it with limited comprehension.

A lesson in all this? He touched our lives in another way. I met friendly people whom I had not bothered, in this busy world, to even speak to before.

And others sought me out for the same reason, and I hope that they were equally satisfied. A wandering, blind Stranger, a little lower on the evolutionary scale, had touched us all, and I hope to God it came out all right for him.

He proved to be just a touch of mortality in the night.

## Letters to The Editor

### COMMUNITY FOR ALL?

Dear Editor:

I am grateful to The Sun and to Lou Cannon for his column in the "Staff Corner" last week. I hope it stirs up a great deal of "thought on the matter."

It has been so easy for some of us to forget our responsibility as Americans. Not all of us live by our democratic principles or practice the brotherhood our churches preach of.

No matter how strongly some of us want a community where everyone can live and work together, a very large obstacle seems to be in the way. Could it be an unwritten creed among realtors to limit their listings to white-skinned Caucasians?

Someday perhaps, we will all have the experience of living near and working with people of so-called minority groups, and then we will learn to distinguish myth from fact, and will no longer worry about depreciating property values. Then we will have a community of which to be truly proud.

JOYCE McBETH

### WATER AND TEETH

Dear Editor:

I would like to make it clear to Mr. Leland—my boys did not drink distilled water for their teeth. How could dead water help the teeth?

They just liked it, as it's tasteless. I was trying to point out that, even though they drank dead water for two years, they have no tooth decay. Which proves it's not the water but the food.

We have brains in our heads—let's not let the medical association, dental association or, let's use common sense and ask ourselves these questions:

1. HOW ABOUT the adults, some of whom drink three times as much water as others, and for whom fluoride is of no benefit whatever, but could be very harmful?

2. One child may drink three glasses of water, the other 10—how can fluoride be controlled for each child?

3. What child drinks water, anyway? Watch the children around a pool—they all run for soda pop. At home it's the same. Stop at any gas station, traveling, and watch the kids run for the Coke

machine. Our public schools have all sorts of beverage machines. So who drinks water, anyway?

MAYBE if the children go back to drinking water, we would not have tooth decay. Let's not blame God's water for tooth decay. Let's blame man for his ignorance. You cannot improve in this respect on mother nature.

If Mr. Leland wants a list of 800 physicians and dentists who are against fluoridation he can call me. I will also give him a list of 75 cities which put in fluoridation and after one to five years discontinued it, due for the most part to public opposition.

Also, I will be happy to give him the name of a food tablet, which contains 0.9 mg natural fluoride and which can be bought in health food stores. Now wouldn't that be far better than rat poison for our children and everyone concerned?

## On The Lighter Side

by INA BLIESNER  
YE 4-3818

What could be "lighter" than a brand new baby—and not just one, but THREE? Towhee member, Nancy Wahlberg, is introducing little Kirk Victor, to his bright new world, and the Linnet Jrs. can boast about two new mothers—Doreen (Mrs. Allan) Griffin and Joan (Mrs. Samuel) Mason. Welcome, fellows.

The Flicker Tea must have been lovely. I had to miss it, thanks to my youngest little "demon." He was playing so exuberantly that he literally knocked himself out just as, dressed to the so-called "teeth," I was leaving.

HE SURVIVED! He always does! Anyway, the guests, thanks to a gorgeous day, were able to enjoy the cool and colorful gardens surrounding the Ted Schroeder home. Of all things, Mrs. Schroeder, who wore a stunning beige shantung suit, left early, but happily, to attend the wedding of the daughter of Alben Jones.

### A few numbers to pop the eyeballs

Eye catching among the group were Louise Burke, slim and lovely in beige from tip to toe; Muriel Alexander, outstanding as always, in black; Nan Wallace who topped her outfit with a huge natural straw accented with three lush roses; Lillian Palmer in a coral-ish, bouffant cotton trimmed with eyelet. Items which the members are making for the All-Unit Christmas Gift Box were shown.

On the 12th of June the Orioles had a luncheon-meeting at the home of Mrs. John Boyen. Not all business, however, for the gals honored former President Mary Dorr with a baby shower.

AMONG OTHERS WHO attended the gay Poplar party at the Emil Peterson's in Happy Valley were the A. N. Warburtons (Marge wore a honey of a white sundress) and the John Athansons (Fran, the "exquisite" in a white background, printed sheath).

Lunching together near the pool were the Dunc Knudsen, the Bus Colburns and the John Raleys. And, speaking of the Raleys, Pat, John and the family traveled to Salt Lake City to help celebrate the golden wedding anniversary of Pat's parents, Dr. and Mrs. F. H. Raley. Jackie, their son, is certainly missed by his Little League baseball team (Broadway Pharmacy).

### And hi, ho, we pack our bags!

And, while we're on the subject of traveling, let's see who the other lucky ones are. The Larry Dodges are planning a trip to Grand Canyon and Phoenix, returning via Las Vegas; the Edward Wanous family has already left for the summer. They will be visiting in Cincinnati, Minnesota and Kansas. Then they will tour the northwest and Canada.

The Samuel Bradbards (Sam is the chairman of the Board of Directors of the Therapy Center and Ellen is the chairman of the Towhee's Tinsel Tea this year) with their children, Susan and John, are motoring throughout the United States and plan to see every well known site or park. A few of the places they mentioned were the Grand Canyon, Yellowstone and Washington, D. C., where they will visit with friends.

### Just where did they find those tickets?

In New York they will see "My Fair Lady" and other leading shows, of course. Ellen's family lives in Lancaster, Pa., and Sam's family in New Hampshire, Cinn. After touring through Canada, they will return by steamer across Lake Huron to the United States. What a trip!

All of the "fair ladies" mentioned in the above trips are members of the Towhee Unit—and another is president of the Towhees, Mrs. Robert Wisecarver, who, with her family will be visiting the Phillip Knox Jr. (Joan was last year's president—and a much loved person) family in Sherman Oaks, Calif. Naturally, they will "do" Disneyland. What else?

NOT ONLY DO TOWHEES "FLY." Hummingbird member Mollie (Mrs. Steven) Szybalski and family spent last weekend looking over the site where they plan to build a cabin at Bear River Reservoir. Steve and their two boys find it hard to wait for the fishing and boating jaunts which are in store for them.

### A fine place for a conference, too!

Another Hummingbird, Mrs. John Bradley, attended an Industrial Relations Conference in Yosemite with her husband. They are now visiting friends in southern California and touring Disneyland.

When they return to their new home on Churchill Drive in Concord, they will be found working on the new lawn and garden for the remainder of the summer.

Had such a nice visit with Geri ("as nice as she is beautiful") McGlynn yesterday at the Orinda Country Club pool. She had her two cute sons in tow—while husband, Andy, was practicing up on his golf. Geri and Andy recently took off by themselves for a really enjoyable trip. They visited The Feather River area, Plumas County, Reno and Tahoe.

While we were talking, her endearing youngest wandered up to report to mother that he was getting out of the water to "warm off." Enjoyed talking, too, with Jane (Mrs. Ned) Bartlett. She was telling me what fun the Lombardy party at the Bob Hamptons was.

ONE OF THE HIGHLIGHTS was a Caricaturist who was kept busy all evening with eager models. Jean and Joe Downs were there—Jean looking very "Spanishy" in a black lace frock trimmed with an enormous red rose. Also, sharing in the evening's fun, were Wally and Ellen Kaapeke, Don and Joyce Carter, John and Henrietta Den Dulk, Art and Dorothy Lundblad and Bill and Edith Seate.

### Glub, glub . . . back to the pool

Let's get back to the pool (how I wish I could—it's HOT today) Barbara Parshall and her two lovely daughters were there, also that adorable Trudy Hoyt and her four equally adorable youngsters. It was good to see the Carrol Petersons back in circulation—now that Dee has recovered from her bout with pneumonia.

Little Dickie, their three year old, really had them hopping. Ernie Abbes looked (he'll KILL me) "divine" in matching brown plaid shirt and shorts. The fathers really were out en masse for THEIR DAY.

Recently a group of Flamingo members went down to Rickey's on the peninsula for lunch. They were Peg Clevenger, Wishey Sage, Helen Fluimert, Bobbie Cullen, Kay Dodds, Iola Tebbis and Marge Dole.

You know? I think I will get back to that pool. So see you there—or here next week.

THE NEW WURLITZER Organ Guild will hold its first meeting Sunday. Organization is talked over by E. B. Gamble, Neva Clark and G. B. Fink, left to right. The guild will be a branch of a nationwide organization. —Sun photo by Bette Balog

## Census Taking Now Underway Isley States

Facts on employment and unemployment are being collected from a number of local families this week in the Current Population Survey, according to Regional Supervisor Leonard C. Isley of the Census Bureau's regional office at Los Angeles which will participate in the survey.

Information collected locally is combined with facts obtained in other parts of the country to provide national statistics.

The CPS, conducted on a sample basis for more than a decade by the bureau, provides up-to-date national estimates on employment and unemployment and related population characteristics such as the number of persons who are not working because they are in school, retired, or unable to work, availability of manpower for both defense and civilian production, and similar facts. Industry, labor and government are constantly using this information in planning various kinds of programs and in measuring the general level of business activity.

Current Population Survey information will be collected locally by resident enumerators.

## Memorial Park Ground-Breaking Will Be Soon

Ground-breaking ceremonies for the administration building in the East Bay's newest memorial park will be held in the next few weeks, it was announced yesterday by Everett E. Fuller of Lafayette, general manager.

To be known as Oakmont Memorial Park, this non-sectarian development is situated on a site of approximately 200 acres of rolling hills on Reliez Valley Road, Lafayette, and about equally divided from Walnut Creek, Martinez and Concord. The property was purchased for the purpose from O. W. Van Cleave.

Road work has already been completed for the first sections to be developed, including a large earth dam to impound water for a lake which will be one of the central features. Building plans are being prepared by the architectural firm of Hammarberg and Herman, while the entrance, lake and garden areas have been planned by Ecco, Royston and Williams.

Directors and officers sponsoring Oakmont Memorial Park are: Philip H. Angell, Berkeley, president; Louis E. Erb, Lafayette, vice-president; James de Fremery, Oakland, vice-president; Dr. Barthol W. Pearce, Modesto, executive vice-president; Philip H. Angell Jr., Lafayette, secretary; William G. Robinson, Orinda, treasurer; Mrs. Winifred O. Teard, Berkeley, and Everett E. Fuller, Lafayette.

## Mary Steinke Named Prexy Of Nurse Unit

Miss Mary Louise Steinke, student nurse, Kaiser Foundation School of Nursing, Oakland, has been elected president of the International Student Nurses Association which convened recently in Rome, Italy.

The election was held during the final day meeting of the 11th International Nursing Congress to which Miss Steinke, who is also president of the American Student Nurses Association, was U.S. delegate.

As president of the newly-organized International Association, Miss Steinke will head a world organization of student nurses representing some 71 countries. Miss Steinke, an attractive 22-year old blonde, will graduate this June from the Kaiser School of Nursing in Oakland, and plans to begin her nursing career in the U.S. Navy.

She is the daughter of Navy Captain and Mrs. Frederick Steinke of 3345 Helen Lane, Lafayette.

## Schmandt Scores Hole-in-One On Antioch Links

Roy Schmandt, Glenbrook Intermediate School principal, hit the ball just right Saturday and scored a hole-in-one on the sixth hole of the Antioch Golf Club course.

The ball went into the cup with a four-foot backspin after being hit 125 yards by Schmandt's nine iron.

The golfing principal had three witnesses present when he made his hole-in-one. Schmandt lives at 3860 Village Road, Concord.

## Jewish Center Will Present 'Fifth Season'

"The Fifth Season," a comedy play in three acts, is to be presented in Lafayette's Contra Costa Jewish Community Center on Mt. Diablo Boulevard, Lafayette, June 29 and 30, starting at 8:30 p.m.

Leon Dinkin, of Walnut Creek, will direct the comedy production by the Center's Drama Club. Taking the leading roles will be Ethel Appel of Concord, Leon Cohen of Walnut Creek and Dr. Don Sterns of Lafayette.

Featured are Bernice Scharlach and Sidney Lifton of Walnut Creek, Marge Sterns and Macy Spellman of Lafayette, and Helen Abend of Orinda.

Supporting roles will be handled by Norman Daneiko, Barbara Silberman, and Faith Greenberg of Walnut Creek, Fred Marcus of Berkeley, and Ruth Dolgin of Concord. Production manager will be Adele Bakon of Martinez. Proceeds from the play are to be donated to the Center's Building Fund, announced Drama president Harry Freeman of Walnut Creek. Tickets are priced at \$1. They may be obtained from Helen Abend, CL 4-4571, or Harry Freeman, YE 4-4299. If available at show time, tickets will be sold at the Center.

## Dale Carnegie Club Forming; Meet Is Tuesday

Organization of a Dale Carnegie Club in Contra Costa County has begun.

A meeting will be held Tuesday evening at 8 at the home of Mr. and Mrs. W. Stewart Hanson of 131 Bales Drive, Walnut Creek. A chapter name will be selected then. A list of charter members

will also be submitted. Fifteen members are needed to charter the new chapter. For information, call Mrs. Ireta Hansen at YE 4-5814 in the evening. Prospective members in Orinda may call Robert Little, DR 6-4668.

A Dale Carnegie International Convention will be held in Huston, Tex., beginning June 29. Mrs. Hansen said she hopes that new members' names can be submitted for the presentation of the charter then.

Persons who join will attend meetings on human relations and public speaking. Meetings will be held on a regular basis twice a month.

**MR. AND MRS. THOMAS MORRISH** were married June 9 at St. Stephen's Episcopal Church, Orinda. The bride is the former Marilyn Jeanne Morehouse, daughter of Mr. and Mrs. James E. Morehouse of Reliez Station Road, Lafayette. The groom is the son of Mr. and Mrs. Kendric B. Morrish of Rheem Boulevard, Orinda.

**MARILYN HARRIS** of Walnut Creek was married recently to Norman Larson of Grand Coulee, Washington. The couple honeymooned at Lake Tahoe and are now living in Los Gatos. The nuptial rites were performed at the Walnut Creek Presbyterian Church.

**THEY MET DURING** the flurry of wedding preparations for his cousin, and later decided to become bride and groom at St. Mary's Church, Walnut Creek. Mr. and Mrs. John Pidoli are honeymooning in Southern California. She is the former Claudia Mattiotta of Walnut Creek.

## JoAnne Neuman to Wed William Sheridan June 29

A whirl of parties and showers has been part of the exciting pre-nuptial plans for JoAnne Neuman, who will marry William Sheridan of South Bend, Ind., on Saturday afternoon, June 29, at St. Perpetua's Church in Lafayette.

JoAnne is the daughter of the Charles E. Neumanns of 3322 Glen-side Drive, Lafayette, who recently entertained a group of JoAnne and Bill's friends at a cocktail party in the garden of their home in honor of the newlyweds-to-be.

Also held at the Neumanns' home recently in honor of the forthcoming occasion was a buffet dinner and garden party, attended by family members and relatives of Mrs. Neuman. Mr. and Mrs. William Neuman, JoAnne's aunt and uncle, also entertained family members at a buffet dinner in their home on Mar-garido Drive, Oakland.

**AMONG THE SEVERAL** showers held in honor of JoAnne recently, was a dinner and surprise shower given by Mrs. Richard Darmstad and Mrs. Adolph Mark-stein, neighbors of the Neuman family.

Mrs. Roy Westerman of Sweet Drive and Mrs. Jean Johnson of Alameda Lane also honored JoAnne at a miscellaneous shower in Mrs. Westerman's home. Among those attending the shower were the faculty members of the Burton School in Lafayette, where JoAnne has been working this past year.

Last Saturday Mrs. John Paul Jones of Estates Drive, Oakland, and Mrs. William Jones of Modesto entertained JoAnne and a gathering of her friends at a luncheon party and miscellaneous shower at the home of Mrs. Jones of Oakland.

**TO TAKE PLACE** in the near future in honor of JoAnne will be the Spinster Dinner hosted by Mrs. Robert Johnston of Oakland,

who will be one of JoAnne's bridesmaids. Bill's parents, Mr. and Mrs. William Sheridan, and his sister, Miss Rosemary Sheridan, are expected to arrive in the Bay Area from South Bend, Ind., during the week of the forthcoming wedding. They will be entertained at a dinner party given by Mr. and Mrs. Neuman in their home.

Following the wedding rehearsal, to be held next Thursday evening, will be a festive gathering of friends, members of the wedding party and relatives, to toast champagne in honor of JoAnne and Bill at the Neuman home.

JoAnne has asked Mrs. Robert Hansen of Oakland, the former Miss Nancy Carroll of Orinda, to be her matron of honor. Mrs. Robert Johnston of Oakland and Miss Denise Differding of San Francisco will be bridesmaids.

Cliff Brown of Alameda will be Bill's best man. Serving as ushers will be John Harrigan, a former classmate of Bill's at St. Mary's College; Jack Thomas of Alameda and JoAnne's brothers, Dick and Jim Neuman.

The 2 o'clock ceremony will be followed by a garden reception at the home of Mr. and Mrs. Neuman.

## Bride Meets Husband at Other Rites

Claudia Mattiotta of Walnut Creek married John P. Pidoli of Pleasanton June 8 in St. Mary's Church, Walnut Creek.

Claudia is a senior at Holy Names College, majoring in social welfare. She is a member of several organizations.

She and her new husband met at the wedding of his cousin. She was a bridesmaid and he an usher.

The ceremonies at St. Mary's were conducted by Rev. Joseph McLaughlin. The couple went south for the honeymoon, and will live in Pleasanton.

Claudia's sister, Linda, was the maid of honor, and Janice Pelosi of Walnut Creek, Irene Montanaro of Oakland and Eleanor Pidoli, sister of the groom, were bridesmaids.

Best man was Louis Avilla of Pinole, and ushers were Vito Regio of Oakland, Bob Oxan of Pleasanton and Joseph Bondi of Pleasanton. John O'Brien of Oakland was guest singer.

Claudia was attired in a princess-style gown of lace and tulle, with lace and tulle pill box hat. Her attendants wore mint green chiffon waltz length gowns.

Claudia is a graduate of Aca-lanes High School. Her parents are Mr. and Mrs. John Mattiotta of 81 Bradley, Walnut Creek.

## Annual Picnic Held By Concord Cub Pack

Cub Pack 169 of Concord Estates held their annual picnic Sunday at Eckley Resort in Crockett.

Sixty families took part in a pot luck lunch which each den provided. Events of the day included baseball, games with prizes and swimming.

At 6 p.m. the pack served hot dogs, coffee, ice cream and cold drinks.

## Dinner Guests

Mr. and Mrs. Seth Jones of Geary Road were dinner guests recently at the home of their daughter and son-in-law, Priscilla and Ed Seamount of Stevenson Drive. The following Sunday the Jones' entertained their son and family, Dave and Betsy Glen and Children.

## Miss Harris Is Married

After a honeymoon at Lake Tahoe, Marilyn Harris, now Mrs. Norman Larson, is making her home in Los Gatos, about a 10 minute drive from San Jose, where her husband is employed. The wedding was conducted by the Rev. James Upshaw in the Walnut Creek Presbyterian Church, June 1.

Marilyn wore a chantilly lace gown, fitted bodice, bouffant skirt and illusion veil attached to a head piece of seed pearls. Her maid of honor was Nancy Brooks of San Leandro. Her sister, Linda, was junior bridesmaid.

Gordon White of Oakland was the best man. Leo Dreyer of San Jose and Woody Gilmore of Concord were ushers.

After a reception at the home of the bride's parents, Mr. and Mrs. Alfred Harris of 40 Bradley Avenue, Walnut Creek, the couple left for the honeymoon.

Marilyn graduated from Aca-lanes High School and attended Contra Costa Junior College. She and her husband met in Oakland where both were employed by the same company.

## Job's Daughters Install Officers

The International Order of Jobs Daughters, Bethel 238 of Walnut Creek met recently at the Walnut Creek Masonic Temple for initiation.

Initiated into the order by Doris Northway, honored queen and her officers were Donna Reseigh, Cynthia Cullings, Susan Crapser, Freyda Roth, Barbara Gorgen and Cheryl Oylor.

Susan Crosses of Berkeley Bethel and Donna Winegar of Bakersfield were welcomed as transfers to this Bethel.

June 8, Doris Northway was honored at the Honored Queen's Ball held at the temple. Alice Bise, past queen of the Bethel was general chairman.

## Spinster-Dame Dance Tomorrow At Orinda Club

Tomorrow night at 8 o'clock the members of Spinster and Dames, their escorts and husbands will arrive at the Orinda Country Club for their annual dinner dance.

This year the group is having a "Masque Ball," and all of the feminine guests will don gaily-decorated masks.

The decorations will carry out the theme, with large stylized trees of black, complete with giant sized masks and cascades of balloons will adorn the walls.

Co-chairmen of decorations Mrs. James Fernhoff and Mrs. Thomas Greenleaf are being ably assisted by the 27 new members.

Two orchestras will be on hand, the second a jazz band, which will take over in the late evening for those who care to stay into wee hours.

# Concord Out Half Game from AL Lead

## Martinez Bumps Richmond, Locals Face Tough Foe

Still only one-half game behind league leading Richmond, Concord's Junior American Legion baseball team could be anywhere from first to last following weekend games on Saturday and Sunday.

A 4-0 shutout defeat of Concord by San Pablo last Sunday coupled with a 9-5 Martinez win over Richmond tightened the standings and left four teams in a second place tie with 3-2 records.

Richmond has a 4-2 mark. **BIG BOB SAVAGE TURNED** in the best pitching performance of the young Legion season with a five-hit, 16-strikeout whitewash of the Diablo Club.

Savage walked only two batters and permitted just one extra base hit, a double by Lee Griehun.

Ron Lichti started for the Concord nine and received the loss, yielding all the San Pablo runs in the six innings he worked. Phil Seyer and Dennis Treadway finished up for the losers.

Grady and Hook had three of winner's six hits.

**EL CERRITO, WITH** a 2-2 record, furnishes Saturday opposition for the Concord team at Diablo field, while cellar-dwelling Lafayette meets Concord at City Park Sunday.

The Lafayette team "took over" last place unexpectedly, when winless Pittsburg withdrew from the league following a forfeit to Richmond Saturday.

The standings and last week's results:

Team	W	L	Pct.	GB
Richmond	4	2	.667	—
Concord	3	2	.600	½
Martinez	3	2	.600	½
San Pablo	3	2	.600	½
Harry Ellis	3	2	.600	½
Walnut Creek	2	2	.500	1½
El Cerrito	2	2	.500	1
Lafayette	2	3	.400	1½
Pittsburg	0	5	.000	3½

**Saturday's Results**  
El Cerrito 3, Martinez 3.  
San Pablo 9, Lafayette 3.  
Harry Ellis 5, Walnut Creek 3.  
Richmond 9, Pittsburg 0 (forfeit).

**Sunday's Results**  
San Pablo 4, Concord 0.  
Lafayette 5, El Cerrito 4.  
Martinez 9, Richmond 5 (played Wednesday).  
Pittsburg at Walnut Creek, no game.  
Harry Ellis, bye.

## Lafayette Leads In East Division Of Babe Ruthers

Lafayette led the eastern division of the Contra Costa Babe Ruth League today with a 5-0 record as the second round of the 1957 schedule was to be played this weekend.

Lafayette downed Walnut Creek Optimists 5-2 in the top game of the week to break a tie for first position behind the three-hit pitching of Tom Strain. This left the Optimists' Club in second place with a 4-1 record after they had smothered Shore Acres on Saturday in a one-sided affair.

Martinez was in third place with a 3-2 mark after downing Danville Stars and West Pittsburg in succeeding games last Saturday and Sunday.

Danville defeated Shore Acres in another lopsided game Sunday after being nosed out 6-8 by Martinez on Saturday, had fourth ranking in the standings.

West Pittsburg with 1 win and 4 losses ranked fifth and Shore Acres with no wins brought up the bottom of the standings.

## Legion Players Lose, 5-3, to Richmonders

Walnut Creek Junior Legion players were 5-3 victims of the Richmond Harry Ellis team, Sunday.

The local players were led by Jess Beaubien, who got three hits, and batted in one run. The team collected 6 hits, Don Hopkins and Wade Hanson were on the mound. The Harry Ellis team got nine hits and scored three runs in the fifth on three walks and two singles.

Bob Smith hurled for Richmond. On Saturday, the Walnut Creek team took a forfeit victory over Pittsburg, which has dropped out of the league.

The Walnut Creek players will face Richmond at Richmond, tomorrow at 2 p.m.

On Sunday, the opponent is Martinez at the East Contra Costa Junior College field. Game time is 2 p.m.

## WC Driver Set For Speedway

Two new Walnut Creek drivers are entered in tomorrow night's Bay Cities Racing Association hardtop program at Contra Costa Speedway, track officials reported.

The newcomers are Gary Street and Bill Bassett. Street will pilot his own car, while Bassett will drive for Bud White, Walnut Creek garage operator.

JIM ANDERSON TAKES A HEFTY cut at the ball in recent concluding action of the Pleasant Hill Recreation District softball League. Charles Johnston is the catcher and Doug Brown the umpire.

## Atnip Leads in Pitching, Hitting, Rbi's for Team

Two Mt. Diablo High School pitchers, senior Rod Atnip and sophomore Ron Lichti, completed the 1957 baseball season with an impressive statistical record according to figures released last week by Diablo coach Carl Analerio.

In addition, Atnip also led his team at the plate with a .416 average.

**BOTH PITCHERS** were named to the recent DVAL all-division team in addition to three other teammates, Art Pargament, Dave Stafford and Jim Liggett.

With Merle Marshall injured in the early going, Lichti and Atnip were the entire Red Devil pitching staff.

They hurled a total of 83 innings, permitting only 32 hits and 35 runs.

**ATNIP'S RECORD** was 6-1, a 4-1 loss to Pittsburg his only defeat. He appeared in eight games and 56 innings, allowing 27 hits, 21 runs, 29 bases on balls and striking out 78.

Soph Lichti faced 128 batters in 27 innings, allowing eight hits, 11 runs, walking 23 batters and fanning 45 for an average of 1.7 strikeouts an inning.

He had a 4-1 record including a no-hit, no-run triumph against Pacifica. His only loss was the opener to Pleasant Hill.

**THE CHAMPION RED DEVILS** won their pennant chiefly on good pitching and clutch play, a contention supported by the batting statistics.

**THE DIABLO CLUB** averaged only .247 enroute to their 10-2 season, ranking third in the

## Sideline Slants

### Local Rumblings Started By Possible League Fee

By ERWIN MATSON

It seems that there are certain rumblings in official Babe Ruth baseball circles due to a directive from State Headquarters stipulating that an "extra fee" be sent on the threat that those who don't won't be qualified by the State officials to go on to the interstate and final national playoffs.

Many feel that the assessment is unjust particularly in view of the fact that the tab for expenses in the National Tournament play is picked up by a well known soft drink which incidentally is rumored to be close to the \$200,000 mark.

**LOOK FOR** the local Babe Ruth circuit to go just that next year—"local!" I mean on a county wide basis.

Administration have a tendency to become top heavy and think in terms of themselves rather than the job they are supposed to accomplish could be wrong but in view of the ire the recent edict has aroused it could well happen—it's a good bet.

Received a long distance phone call from Lloyd Torchio, former Acalanes and University of California football standout, who is coaching at Washington State College.

Lloyd was inquiring about Bill Steiger who met with an accident Sunday while diving in a private Walnut Creek pool.

Bill was an all coast end from Washington State last year as a junior and counted on heavy duty this fall.

He suffered a dislocated neck and is convalescing at the Kaiser Hospital in Walnut Creek. He'll be there several weeks.

The six foot end was selected for all coast honors in '56 by a poll of the Associated Press and was the nation's second leading pass catcher.

Any Washington State Alumni in the area are urged to drop by and see Bill.

Many local grid fans will remember him for his outstanding play against the University of California last fall.

Jim McMillan, formerly of Pleasant Hill High, has taken over as mentor of the Martinez Legion nine. He'll get a chance to match strategy with me tomorrow as Lafayette plays Martinez in a 2 p.m. game at the Contra Costa Junior College field.

**SCOUTS ARE** really watching Diablo's Rod Atnip and it wouldn't surprise if he signed any day. Don Ferrarese is back on the coast league with Vancouver and to date has three wins and a loss.

Seems as though Baltimore could use him but claims lack of control is what holds him back.

If they used him regularly and then he was wild I would agree. El Cerrito High has had a lot of good baseball luck and has probably signed more ball players to professional contracts in recent years than any other prep school in the state.

Three were signed this spring when infielder Tom Wilcox, pitcher Jerry Sublett and catcher Charles Zeiss inked contracts with Kansas City.

**ONE THING** certain is that the local prep baseball is catching up to the Bay Area.

In the Connie Mack League the Contra Costa Merchants are more than holding their own.

In the Legion it's the same story. The local Babe Ruth teams from Concord, Lafayette, Walnut Creek do more than just all right.

**IT'S GRAND** to see ball come so long a way in so short a time. If you want good entertainment go out and see these clubs in action. You'll be surprised at the caliber of play—if you have—you know and chances are you'll go back.

**Point-Par Led by Mrs. Calder**  
The following were the results at Orinda Country Club last Friday of Ladies' play, of "Point-Par":  
Class A—Mrs. Blake Calder, 20-16-36; Al Tanner, 21-12-32.

## Galli Chosen Assistant Coach At Pleasant Hill

George Galli of Pittsburg High, East Contra Costa and University of Southern California has been named Pleasant Hill High School assistant football coach and line coach.

The announcement was made last week by Art Poulin, athletic director, who also said that Lee Morrow, a long-time faculty member, will become an additional football assistant.

**ALSO HIRED BY** the Rams was Dick McGuire who will be head track and cross country coach.

The appointments were made to fill vacancies created when coaches Dick Read, Duane Louis and Dick Paynter left the staff.

Read took the head coaching job at St. Mary's High in Berkeley, Louis became head coach at Acalanes and Paynter took a job with the Piedmont Highlander coaching staff.

There is still one assistant coach vacancy to be filled, Poulin said.

## Will's All Stars Dropped From Undefeated Ranks

Paced by Gose Gausman's no hit, no run pitching, Will's All Stars dropped a 1-0 decision over Hoffman's Liquors in a tilt played at the Walnut Creek Park, June 12.

Gausman was in rare form as he allowed but one man to reach first on a walk in the initial frame and then closed the door as he set the opposition down in succession.

**GAUSMAN REALLY** took the heroes mantle in the bottom of the seventh when with the game tied 0-0, he came through with a game winning clutch hit.

Norm Graybar reached first when the rightfielder dropped his fly ball and reached second on a fielder's choice. With two down Gausman came to bat and rapped out a game winning single. The ball hit the wires crossing the field and the "beef" was on. The umpire ruled a fair ball and the score ended 1-0.

In nothing the win Gausman struck out nine.

Victor Lopes of the losers turned in a good game of his own giving but three hits along with three walks.

June 13 found the gals taking the spotlight. Opposition was furnished by the Alameda Peppers who carved out a 4-1 win over the Merle Norman gals.

**FIVE ERRORS** on the part of the local gals contributed greatly to their downfall although Alameda outdid them 4-2.

Lois Maloon and Kathy Gleason each had a single for the locals.

Alameda knocked out single runs in the second, third, fourth and fifth while Merles got theirs in the third.

Winning pitcher was Joyce Culy while Jan Overby was charged with the loss.

Monday night Rheem Center

## Gaels to Take Ball Team on Road Next Year

St. Mary's College basketballers have announced a 1957-58 schedule which will find the Gaels on the road for 19 of 26 games.

The Galloping Gaels, who really galloped for a time in California Basketball Association play last season, will face some stiff Pacific Coast Conference and Midwestern competition before starting play in the CBA.

They open with Stanford at Palo Alto and play UCLA, USC, and California before starting on a five-game inter-sectional trip.

Following is the 1957-58 schedule:

Date	Opponent	Where	Played
Dec. 3	Stanford	Stanford	
" 6	UCLA	Los Angeles	
" 7	USC	Los Angeles	
" 10	California	Berkeley	
" 14	Dayton U.	Dayton	
" 16	Evansville Cl.	Evansville	
" 19	Indiana	Bloomington	
" 21	Wash. of St. Louis	St. Louis	
" 23	Bradley	Peoria, Ill.	
Jan. 4	C.O.P.	Stockton	
" 7	San Jose State	St. Mary's	
" 18	Fresno State	St. Mary's	
" 25	and 27 Idaho State	Pocatello, Idaho	
" 29	Regis College	Denver	
Feb. 1	Loyola (L.A.)	St. Mary's	
" 4	Pepperdine	St. Mary's	
" 7	C.O.P.	St. Mary's	
" 11	U.S.F.	Kezar	
" 14	San Jose State	San Jose	
" 18	Santa Clara	Santa Clara	
" 22	Fresno State	Fresno	
" 25	U.S.F.	St. Mary's	
Mar. 8	Loyola (L.A.)	L. Angeles	
" 11	Pepperdine	Los Angeles	
" 4	Santa Clara	St. Mary's

## Junior Horse Show Set For Tomorrow, Sunday

The Walnut Creek Equestrian Association is holding its sixth annual Junior Horse Show and Rodeo tomorrow and Sunday, at the Concord Mt. Diablo Trail Ride Grounds in Concord.

Plenty of thrills will be provided by the action-packed rodeo events including steer riding, bareback broncs and team roping.

This Horse Show, second only in size to the Junior Grand National, draws the best junior competition throughout Northern California.

Highlights of the Horse Show events will be the fast moving stock horse s and the graceful hunters and jumpers.

Mr. and Mrs. Gene Lockhart of Walnut Creek, club advisors, are in charge of the two-day show which begins at 10 a.m. each day.

President is Vince Friedman; vice president, Robert Brown; secretary, Marilyn Bonington; treasurer, Pat McSorley. Board members include Jennifer Butler, Alison Plant, Val Creagher, Pat Rukavina, Lee Friedman, Jack Fisher.

Chairman of the trophy committee is Jennifer Butler and Marilyn Bonington is in charge of publicity.

A side of beef will be given away and everybody is welcome. Classes are English equitation, western equitation, novice equitation, bareback horsemanship, pleasure horse, pleasure horse western, color class, three gaited, western trail, hunter hack, working hunters, jumpers, colts and fillies in hand, model stock, matched pairs and stock horse.

Rodeo events will be judged on time and in accordance with Amateur Rodeo Association rules. Notarized signature is required.

Judges are Frank Santos, Herman Friedlander and Raedean Robinson.

Horse Show secretary is Eileen Lockhart, 170 Hilltop Crescent, Walnut Creek, YE 4-3244.
